Digestive Troubles Cause Much Distress Are Nearly Always Due to Thin, Watery Blood.

Do not think that because your stomach is easily upset you are the victim of some serious malady. One of the most common causes of indigestion is anaemia, or thin, watery blood. In fact it has become generally recognized that healthy activity of the stomach is impossible unless the blood is rich and red.

Dr. Williams' Pink Pills have been found valuable in cases of indigestion, nervous dyspepsia and stomach weakness. Just as they give you a blood builder and nerve tonic. The rich, red blood following their use not only imparts a healthy digestion, but carries color to the cheeks and lips, and gives vigor to the muscles. One of the important points to remember is that Dr. Williams' Pink Pills contain no harmful drugs or opiates and are thus to be preferred to preparations that merely stimulate for a time. Before you begin worrying unnecessarily about your state of health, try the tonic treatment of Dr. Williams' Pink Pills. You will be surprised to see how rapidly your appetite returns and your debilitated system revives. Miss Sarah Farquhar, North Brookfield, N.S., who has proved the value of these pills in cases of this kind says: "For a long time I was a sufferer from indigestion, which seemed to carry with it a complication of other troubles. Every meal brought misery with it, as the eating was followed by severe pain in the stomach, causing at times nausea and vomiting, and at other times an accumulation of gas that caused severe palpitation of the heart, and a smothering sensation in the throat. My general health was seriously affected and the least exertion would tire me out. I had taken much medicine, but did not get more than temporary relief. I began using Dr. Williams' Pink Pills, which I took for a considerable time, with the result that I now enjoy every meal and am no longer distressed after eating. "Try the Arbutus" is a book which I highly recommend these pills to similar sufferers."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

Nothing To Equal Baby's Own Tablets

Mrs. Georges Lefebvre, St. Zeno, Quebec, writes: "I do not think there is any other medicine to equal Baby's Own Tablets for little ones. I have used them for my baby and would use nothing else. My baby, Lefebvre, says thousands of other mothers say. They have found by trial that the Tablets always do just what is claimed for them. The Tablets are a mild but thorough laxative which regulates the bowels, eases the stomach and thus banish indigestion, constipation, colds, colic, etc. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont."

Arbor Day. (Providence Journal.) Let every owner of property, every house, resolve to have an active share in the celebration of the day. The cost is small. Especially where trees are needed, they should be planted either in front yards or along the street curb. There is room for thousands of saplings in Providence; why not get some of the nearest spots without further delay. Every year will pay dividends in health, comfort and beauty.
