

4. An airways radio station capable of communication with stations in the U.S., Canada, Newfoundland, and Greenland and with aircraft in flight, for purposes of aircraft control, forwarding and receiving weather data and airplane movement communications.
5. A meteorological station.
6. A maintenance hangar (heated), minimum dimensions 150 × 200 feet.

(e) Housing for personnel.

That if the Canadian Government should decide for any reason that it will not undertake the desired construction immediately, this decision should be made known at once to the Governments of the United States, United Kingdom and Newfoundland and that the Government of the United States be invited to provide the necessary facilities in the area under reference;

That Governments of Canada and the United States should cooperate to make provision for the necessary priorities to permit the earliest possible completion and that the Government undertaking the project should also immediately initiate the necessary measures to ensure provision of an installation suitable for safe operations from the ice in the Northwest River area during the winter of 1941-42.

EIGHTEENTH RECOMMENDATION

Montreal, July 29, 1941

*Underwater Defences for Argentina*

That the United States proceed with the installation of underwater defences in the Argentinia-Ship Harbour area.

TWENTIETH RECOMMENDATION

Montreal, July 30, 1941

*Newfoundland Roads*

- (a) That improvement and maintenance of road communications is recognized as essential for effective military operations in the defence of Newfoundland.
- (b) That the Newfoundland Government should, without cost to the United States or the Canadian Governments, make available the rights of way necessary for such roads as the United States or the Canadian Governments [sic] consider must be constructed for military purposes.
- (c) That the United States and Canada should be given the right to construct and maintain such roads as each individually requires in Newfoundland for military purposes without obligation either to construct or maintain any roads.
- (d) That Newfoundland, Canadian and United States vehicles would have use without tolls of any roads constructed by the United States or Canada in Newfoundland outside of base areas.
