WINNIPEG STRIKE WILL BE OVER VERY SHORTLY

Six More Arrests Have Been Made.

MISUNDERSTANDINGS HAVE PROLONGED THE STRIKE

WINNIPEG, Man., June 21.—There have been six more arrests of Winnipeg men, charged with seditious conspiracy. The men gathered in were all of the alien class and said to be agitators. Their names were not disclosed. The arrests were made by members of the R.N.W.M.P., who carried them out as quietly and effectively as on Tuesday morning.

J. Murray, counsel for the labor party, issued a statement that the strike would be over early next week. If the answer of the metalworkers employers had been received by the strike committee, it would, he said, have been over by now. Misunderstanding kept it from being received.

"If the government would settle the strike, returned soldiers will," shouted Comrade Parnell, successor to R. E. Bray, the arrested leader of striking veterans, to a meeting called under their auspices in the Market Square last night. The crowd of twelve thousand, one-fifth of whom were veterans, enthusiastically cheered the announcement.

"Our veterans' committee worked all afternoon trying to help a settlement," declared Parnell. "We have worked for weeks and the government has done nothing. We won't stand for inaction much longer. To-morrow afternoon at two-thirty we will hold a monster silent indignation parade, which is the most effective of weapons."

"The significance of the declaration is that street parades are under the ban and civil authorities, backed by provincial and federal authorities, have absolutely committed themselves to the breaking up of any such demonstrations. Parnell also stated that time had come for "mass action," with brain brawn, which they had found so effective in Flanders.

"I don't mean rough stuff," he added quickly. "If there are any barriers keep calm and be silent. This is no time for rough stuff." This speaker roughly denounced the Minister of Labor, who, he argued, was committed to policies of relieving the workers until the strike had been beaten. Should that happen, there was but one thing to do and that was for men who had fought for the country to pick up arms and get out. Labor leaders had been arrested after midnight and their wives and children frightened, and that was not the kind of democ-

PEACE TERMS WILL LIKELY BE SIGNED

THOUGH MODIFICATIONS ARE BEING SOUGHT

NEW YORK June 21.—The Associated Press this morning issued the following statement: While the trend of German sentiment is declared, in advising reaching the peace conference to be continuing strongly in favor of signing the peace treaty, it is becoming apparent that German leaders do not intend to make their attitude officially known without an effort to obtain modifications in the terms. The German cabinet situation is still a mixed one. It is definitely known that the Schiedemann cabinet has resigned. Whether a successor to Herr Scheidemann has been chosen as yet seems doubtful, although the peace delegates in Paris have received a report that Herman Mueller, Majority Socialist leader, has been selected.

Chemnitz, and other representative regions. Geographically analysed, the advice that southern German states are all favorable to the acceptance of the treaty, while the Prussian regions are maintaining some opposition.

Objects to Fixing Price of Wheat

CHARLES BIRKETT'S VIEW TO COMMONS COMMITTEE

Ottawa June 20.—Charles Birkett, secretary of the Fort William and Port Arthur Grain Exchange told the Cost of Living Committee of the Commons this afternoon that no reduction in the cost of the food-stuffs need be expected until wheat was reduced in price. He said that wheat at \$2.24 at Fort William did not make bread dear to the individual because it was estimated that no person used about one barrel per annum, but there were also bran and shorts to be considered and the price of wheat was reflected on oats and barley, so that meat, milk, eggs etc. all reflected it also. He believed that the opening market for wheat would be better than present closed market.

Grain men had been having conferences in Ottawa with the Government and no effort was being made to reach an agreement. The grain exchanges were very anxious for the open market but the farmers as represented by Messrs Henders and Maharg wanted a fixed market. His belief was that if the fixed price was removed the price of wheat would drop to normal. He considered the present price fictitious and believed it would drop.

Hoover had declared said Mr. Birkett that it would take 750,000,000 bushels to feed Europe but other authorities claimed that this wastoo high an estimate. In any case unless there was a calamity there would be a world surplus of wheat in September, thus bringing down the price. The witness said that if the price of wheat continued to be fixed in Canada 17 1/2 per cent of the people would benefit but if it was put on a competitive basis 82 1/2 per cent would benefit. It would also put the grain dealers back again into business.

Macpherson Speaks at Wingham

URGED EARLY NOMINATIONS WINGHAM, June 20.—Much interest centered in the annual meeting of the North Huron Conservative Association, held at the town hall here this afternoon. There was a large attendance including a big contingent of ladies. The speaker of the afternoon was Hon. W. D. McPherson, the provincial secretary.

Hon. Mr. MacPherson, in opening his address, congratulated the Conservatives of North Huron on the splendid attendance and on the good feeling evinced at the meeting. Mr. Fraser, he declared, was the true representative of the people and would not, but for the unfortunate family feud, have been in Parliament. The speaker then dealt at length with questions arising out of the war, which eventually closed with the great defeat of Germany and her allies. Next Election. "It is in the discretion of the Government," he declared, "when the next election will take place. Premier Hearst has filled the office with general satisfaction during a most trying period and the province to-day stands in a position superior to any part of the British dominions. Speaking on the temperance question Mr. McPherson declared that the action of the Government was purely a war measure in the interests of the people. Referring to the "present destructive strike at Winnipeg," he declared, "law and order must be upheld for the honor of the nation." In closing he urged that a candidate for the Legislature be brought out as early as possible. Mr. McPherson was given a rousing ovation as he went down. The meeting concluded with the presentation of a kick from a horse.

ROYAL FLYING CORPS OFFICER WEDS.—The marriage was celebrated at Toronto at Mr. Alfred Richardson Quirk, flight lieutenant and Irene Ivy, daughter of Mr. A. Ball.

STRAWBERRIES THE FEATURE TODAY

Quite a Supply Offered at the Market

Fruit is beginning to appear on the market. This morning there was quite a supply of strawberries. The prices ranged from 25 to 28 and 30 cents per box. The quality of the berries offered in most cases was the best. Some splendid Watson variety berries were to be seen. There was no big rush on the part of people to buy, they apparently hoping that the price will come down. The vendors on the other hand were emphatic in their opinion that the supply of berries would soon be exhausted and that the prices therefore would soon be higher. Better but now was their slogan.

OBSERVANCE OF A GOLDEN WEDDING

A unique event took place last evening in the form of the observance of a golden wedding. It was that of Mr. and Mrs. Jacob D. Schmidt, 176 Waterloo street. The groom and bride of fifty years ago were pleasantly surprised at their home shortly after five o'clock by their children, grand children, and their brothers and sisters, about seventy-five being present. The guests came not only from the city but from Preston, Wellesley, North-east Hope, Milverton and Amulree. The offering of congratulations and good wishes by the assembled relatives and friends was accompanied by a presentation of a purse of gold by the children and a gold-headed cane for Mr. Schmidt by a near-by property when the guests called at his home. Naturally when he reached home on the call he was indeed surprised.

An unusual feature in connection with the married life of the honored couple is the fact that during the fifty years there has not been a death in the family nor in the family of any of the children. Mr. and Mrs. Schmidt were wedded fifty years ago in Phillipsburg and except for a few years at Crosshill, resided on the old homestead near the first named place during the greater part of that time. Twelve years ago they moved to this city. The old homestead had never gone out of the family since it was taken over from the Crown. At the gathering yesterday all the brothers and sisters were present and also all the children but two. The children are as follows: Mrs. F. Daub, city; Mr. Henry G. Schmidt, North Easthope on the old homestead; Mrs. George Falk, Stratford; Mrs. Broderick, Mrs. Herman Rank, Long Beach, Calif., and Mrs. Wm Gough of Long Beach, Calif. The last two were the only children not present. The brothers and sisters of Mr. and Mrs. Schmidt are Mr. George Schmidt, of Preston, only brother, Mr. Henry Gerth, of New Hamburg, Mrs. C. Yost, of Milverton and Mrs. Valentine Daub of Amulree.

The gathering was also featured by a dainty dinner supplied by the guests. STANDARD RELIANCE UNDER GOVERNMENT CONTROL SINCE THEN. TORONTO, June 20.—Although the formal winding-up order for the Standard Reliance Mortgage Corporation was made on Wednesday last, it is understood that the company, to all intents and purposes discontinued business on the 1st of June, when officers of the attorney-general's department took control. Since that time Government officers have had control of all the funds, etc. of the company and have taken charge of new deposits as they come in. This in all probability, means that depositors who placed their money with the Standard Reliance after June 1 will receive their money back without delay. The application for winding-up order came from the company itself, but it is now known that for some time officers of the attorney-general's department have been in close touch with the company learning the true state of affairs.

TEN MORE PERSONS ARRESTED AT WINNIPEG

WINNIPEG June 21.—Ten more sinners with foreign names have been arrested here on seditious charges, by the Royal Northwest Mounted Police. They have been taken to an Ontario penitentiary pending trial. It is stated. Cecil Day, Ingersoll, dead as the result of a kick from a horse.

FAVORS NATIONALIZATION OF MEDICAL PROFESSION

Carpenters, Joiners and Woodworkers go on Record. Convention Concludes Today.

The nationalization of the medical profession is favored by the provincial council of the United Brotherhood of Carpenters Joiners and Woodworkers. A resolution to this effect presented by Hamilton union No. 118 was carried unanimously. It follows: "That whereas it is generally conceded that the profession of medicine is the most vital and necessary of the learned professions to the needs of all citizens and

Whereas the enormous fees charged by medical and surgical practitioners in order to maintain what they consider their proper status in the social life of the community and to cover the debts of those who are unable to pay, thereby placing their services beyond the means of the wage earner and often causes him to resort to the quack and faker. Therefore be it resolved that this Council go on record as of the opinion that the education and maintenance of men and women in all branches of the medical and surgical profession should be undertaken by the state; that their regular examination at fixed times be strictly and impartially attended to, by a commission showing no leaning to any particular school of medicine; that a campaign of the most thorough nature be instituted to train and educate the public upon matters of hygiene and the conservation of health, in short that the State should undertake the task of maintaining the health and supporting during illness every citizen from the cradle to the grave.

The provincial council adopted a recommendation that prospective members if they are returned soldiers be admitted on an initial fee of \$5. It was further decided to ask all carpenters not to work overtime but to limit their hours to 44 a week. A committee of three is to be formed to work in conjunction with the executive in looking after the better organization of inside woodworkers. The convention is of the opinion that these should be more cooperation between the various cooperative societies and the labor unions. Reference to the success of the cooperative societies in England and Scotland was made, where their efforts have been successfully applied to the running of industries and mines, etc. Applications to get the next convention have been received from Peterboro and Stratford. The place will be decided to-day. The election of officers also will take place to-day. This morning the delegates enjoyed a motor trip throughout the city and Waterloo.

Dr. Hett's address on nationalization of the medical profession, it might be stated, was enthusiastically received.

AIR COMPRESSORS WILL BE READY IN FEW WEEKS

Water Shortage not as Acute as it Was, Filter Water Must Still be Used.

AS TO BRIDGEPORT WELLS. The installation of the air compressors ordered by the Water Commission is proceeding at the waterworks plant according to the statement by Superintendent Hymmen who was queried by the Record this morning regarding the intentions of the Commission following the recent shortage of water. It is expected to have the new compressors in operation within a few weeks and to start the engine as soon as the Commission following the installation of these will be the Superintendent said "We are hopeful that it will increase the supply but we must wait and see." The compressors are being put on all the wells and will be both operated. The Superintendent said that the recent shortage of water was now getting estimates on the probable cost of the desired contemplated works out there. He thought that this shortage was at its worst old pumps were not in commission and since these have been discarded it is hoped to have a steadier supply. When these pumps were being run

amount pumped per day was a out 240,000 gallons. Now we get about 200,000 gallons and the supply can be depended on." Mr. Hymmen said. He attributed to the greater part of the recent shortage of the old pumps being out of commission. He asked about the pressure this was back to a more satisfactory mark being 50 pounds at the Queen street office. The Commission however have still found it necessary to use lake water. "We must do it. The water as we have always maintained is all right. About Bridgeport. Asked what is being done to get a supply at Bridgeport Mr. Hymmen said the Engineer was now getting estimates on the probable cost of the desired contemplated works out there. He thought that this shortage was at its worst old pumps were not in commission and since these have been discarded it is hoped to have a steadier supply. When these pumps were being run

June Nuptials

Grebe-Lanz. The marriage of Miss Mabel Clare, youngest daughter of Mr. and Mrs. William Lanz to Mr. Milton Grebe, son of Mrs. Casper Glebe, of this town, took place at High noon, Wednesday June 19th, at St. Peter's Lutheran Church Linwood, Rev. Rebbel officiated. Mr. Walter Strahl of Kitchener played the wedding march. The bride was given away by her father, and wore white Georgette Crepe and a white picture hat. She carried a bouquet of roses. Miss Edith Glebe was bridesmaid, and was dressed in pink Georgette crepe carrying a bouquet of pink roses. Mr. Oscar Lanz brother of the bride

was best man. The groom's gift to the bride was a Pearl Sunburst to the bridesmaid, a gold wrist watch, and to the groomsmen, a set of gold cuff links. After the ceremony, a reception was held at the bride's home where the newly married couple received the best wishes of their friends. The bride was the recipient of many beautiful presents, among them being several cheques. Mr. and Mrs. Glebe left later for Detroit and other points, and on their return, will reside on the groom's farm near Linwood.

Hope for Sunday Cars This Summer

In view of the fact that the bill of the Grand River Railway has passed the Senate Committee at Ottawa and that the bill will probably soon become law enquiry was made of Mr. M. Kirkwood of the Grand River Railway by the Record as to the prospects for Sunday cars between Ottawa and Galt and consequently connection with Port Dover on Sundays. "When will we get Sunday cars?" Mr. Kirkwood was asked. "That is uncertain as yet. You see it hasn't passed the House as yet, although it is through the committee stage," he replied.

"Well since it is probable that it will be passed do you think that you will have them this year yet?" "We would have to have a petition from them." "But supposing you had that would you be ready to give the Sunday service this year?" "Oh yes." "So there are good prospects of being able to use your cars on Sundays this summer yet to get to your town and of course also to the lake?" "Oh, yes, indeed."

FRANCESCO WITTI ASKED TO FORM

NEW ITALIAN MINISTRY ROME June 21.—King Victor Emmanuel has asked Francesco Witt, former minister and leader of a new cabinet, it is announced semi-officially. Former Premier Tittoni will it is added be Foreign Minister.

THREE PERSONS DROWNED TODAY AT NEW LISKEARD

RAN OFF DOCK INTO LAKE (Special To The Record) NEW LISKEARD ONT. June 21 Cecil Eplett and two of his girl companions, Alma and Louise Wyatt, were drowned and Miss Gladys Kennedy and Miss Gladys Kennedy and Miss Gladys Kennedy were in the hospital, as a result of the shock received. The young folks were out motoring and drove on the New Liskeard dock to watch a new steamer arrive. The machine in some manner went over into the lake. All the bodies except Louise Wyatt were recovered.

TRYING TO PREVENT STREET CAR STRIKE

ROUND TABLE DISCUSSION UNDER WAY TORONTO June 21.—Representatives from the street railwaymen's union are in conference this morning with the board of conciliation appointed by the government, in a final attempt to avert a strike tomorrow. Judge Barron is presiding. The conference for the meeting is really a round-table discussion, as arranged for by Mayor Church, at the request of Judge Barron, who wired last night. The latter is anxious that the men shall postpone action until the board has had an opportunity to go into the matter. He asked the mayor to assure the men that their demands would be considered carefully and speedily, and that an impartial decision would be handed out.

HERMAN MUELLER HAS BEEN ASKED TO FORM A CABINET

ALL GERMANY PRACTICALLY FAVORS SIGNING TREATY PARIS, June 21.—President Ebert has requested Herman Mueller, Majority Socialist leader, to form a new cabinet, according to advices received by the peace delegates. Mathias Erzberger will probably head the German peace delegation, the advices indicate. The opposition attitude of Democrats and German Nationalists on the question of the treaty, will probably exclude Count von Brockdorff-Rantzau and Count von Brockdorff from the government. The German provincial press is strongly urging the speedy signing of the treaty. Berlin advices summarize the situation in Germany up to midnight, saying that the sentiment throughout virtually all Germany is in favor of accepting the peace terms, the advices cover Leipzig, Dresden,

LLOYD GEORGE HAS SEVERE SORE THROAT

UNABLE TO ATTEND PEACE CONFERENCE PARIS, June 21.—Premier Lloyd George is confined to his room with a most severe sore throat. His indisposition prevented his attendance yesterday at the meeting of the supreme allied council. His place at the conference was taken by Arthur J. Balfour, British Foreign Secretary.

HERR ERZBERGER WANTS ADMISSION TO BIG LEAGUE

AND LIMITATION OF INDEMNITY TO \$25,000,000,000 BERLIN, June 21.—Mathias Erzberger (mentioned as the probable new German peace delegate), is reported to have sent a note to Premier Clemenceau, as president of the peace conference, asking whether the Allies will agree to the immediate admission of Germany to the League of Nations. Herr Erzberger also desires to know if the associated powers will consent to a limitation of Germany's indemnity to 100 billion gold marks and renounce their efforts to have former Emperor William surrendered.
