

(Circular No. 51.)

CUSTOMS DEPARTMENT,

Ottawa, 18th May, 1869.

SIR,—

It having been represented to this Department that in violation of the law large quantities of American silver coins are brought into Canada without entry or payment of duty, I have to call your attention to the subject and to enjoin upon you increased vigilance in the discharge of your duty and that of your officers along the Frontier in the prevention of smuggling, and you are specially to enquire of Travellers and others whether they have in their possession either on their persons or in their baggage, any American silver, and you or your officers are to seize and report any such silver which it may be attempted to smuggle, taking particular care that, in the discharge of this duty, you discriminate between a clear design to defraud the Revenue and an unintentional breach of the law, in which latter case no seizure should be made, but the officer should see that the silver is duly entered and duty paid.

It need scarcely be added that in the performance of this delicate duty the greatest circumspection and courtesy should be observed by the officers towards all persons with whom they may be brought in official contact.

I am,

Sir,

Your obt. servant,

R. S. M. BOUCHETTE.

P. S.—American silver coins, as loose change, not exceeding \$5, may be brought in by any traveller without being subject to report and entry.

THE CHURCH UNION.

THIS paper has been recently enlarged to mammoth proportions. IT IS THE LARGEST RELIGIOUS PAPER IN THE WORLD. It is the leading organ of the Union Movement, and opposes ritualism, close communion, exclusiveness and church caste. It is the only paper that publishes HENRY WARD BEECHER'S Sermons, which it does every week, just as they are delivered,—without qualification or correction by him. It advocates universal suffrage; a union of christians at the polls; and the rights of labor. It has the best Agricultural Department of any paper in the world; publishes stories for the family, and for the destruction of social evils. Its editorial management is impersonal; its writers and editors are from every branch of the church, and from every grade of society. It has been aptly termed the freest organ of thought in the world.

Such a paper, offering premiums of Sewing Machines, Dictionaries, Appleton's Cyclopaedia, Pianos, Organs for Churches, etc., makes one of the best papers for canvassers in the world.

Every Congregation may obtain a Communion Service, an Organ, a Melodeon, a Bible, or a Life Insurance Policy for its Pastor, or almost any other needful thing, by a club of subscribers.
