

MEMORANDUM.

To the Deputy Minister-

OTTAWA, 28th April, 1903-

MSA

For some years the Indians at Fisher's Grant, Pictou County, N.S., have been urging the Department to acquire a tract of land for them.

In February last an item of \$1375.00 was for noted for this purpose in the Supplementary Estimates, but was not included therein.

Mr. Agent McLeod now advises the purchase of 36 acres of wooded land from Mr. William Scott for the sum of \$400.00, and I would beg to submit the matter for consideration as to placing the above named sum in Supplementary Estimates.
