Office of the

Indian Commissioner

For Manitoba and the North-West Territories,

Regina, th 30 October, 1886.

Sir,

I beg to request that I may be informed when receipts for 15 Half-chests of Tea, delivered under contract, on the 23rd June last, by Messrs J. Y. Gilmour & Co., through the Hudson's Bay Company, may be expected.

Payment for this Tea should have been made to the Contractors, some months ago; and it is to be regretted that receipts have not been received.

Please state what supplies have been received by you that have not been receipted for.

I have the honor to be,
Sir,

Your obedient Servant,
H. J. Reed
Asst. Commissioner

Indian Agent
Sarcee Reserve
Calgary.
