Ottawa, July 26th, 1926.

Dear Sir:

Your letter of the 20th July arrived during the absence of the Prime Minister in the Maritime Provinces.

As Mr. Meighen will not be back for some little time, I am asking our Organization Office to send you whatever literature they have available.

I shall of course place your communication before Mr. Meighen at the very first opportunity.

Yours faithfully,

Private Secretary.
