MONTREAL, February 4, 1935.

Hon. Arthur Meighen,  
The Senate,  
Ottawa, Ont.

Dear Arthur:

It was exceedingly kind of you taking the trouble of seeing Mr. Clarkson, and also writing me regarding the mills at Sturgeon Falls and Fort William and I appreciate having this information very much indeed.

Your Montreal friends are looking forward to your address on Shakespeare to be given in Montreal next Monday evening.

If you intend spending the night in Montreal and have no other engagement, Mabel and I would be very pleased to have you stay over with us. As you know, we are always delighted to have you with us, but on the other hand, we do not want you to feel that it is necessary for you to accept our invitations. I want you to do just what suits you best.

Looking forward with pleasure to seeing you on the 11th.

Yours sincerely,

AHC(F)
