

would be paid, such details to include distance travelled, disease treated and description of medicine supplied in each case.

The certificate which accompanies your account is merely an agreement on the part of the officers of the post to pay one half the amount claimed by you.

To admit of the payment of the balance due you on the 30<sup>th</sup> June last being taken into consideration by the Department, the officers must comply with the Regulations above printed and by paying one half and certifying that they have done so, and you must furnish the requisite details.

For Medical services rendered to Indians since the 30<sup>th</sup> June last a
