My dear Sir,

It was with much regret that I learned by your letter of the 28<sup>th</sup> ultimo that you are afflicted with opth. almia to such a degree as to incapacitate you from reading or writing.

I should hope that the disease is only temporary, and that in a short time, your sight will be, if not quite restored, sufficiently so to admit of your continuing to discharge the duties of your office in your usual efficient manner.

I am,

My dear Sir,

Yours very truly
