George A. Carter, Esq.,
Director,
Nesikep Placers Limited,
314 Hall Building,
Vancouver, B. C.

Dear Sir:

Re: Nesikep Placer-mining leases.

Adverting to your letter of the 6th instant, I now beg to advise that the above matter has been thoroughly investigated by the Department. At the time you first discussed same with me, I thought that something might be done with a view to straightening out the misunderstanding, but now find that there is nothing we can do. A careful consideration of all the circumstances fails to show that you have established a valid claim for the reinstatement of the said leases.

Yours very truly,

Deputy Minister of Mines.
