WORLD OF SPORT

LACROSSE

The junior lacrosse boys have formed a team and are endeavoring to secure a game with Wallaceburg juniors for the 24th of May.

FOOTBALL

Rev. H. E. Kellington, B. A., has been appointed by President P. B. Fetterly, of the Peninsula League, to referee the first game of the season, which takes place to-morrow at Darrell, between Darrell and Kent Bridge.

Chatham has more material and better material this season for a fast football team than it has had in years. A good practice was held at the south end of Teumseh Park last night. Captain Sissons arranged his men into a forward line and an opposing defence and, if the work of last night can be taken as a fair example of what the players can do, Chatham won't be a hundred miles behind first place in the league.

BASEBALL

Pete McAuley seems to be laying low for a couple of weeks. He must have a bunch of stars up his sleeve.

Fred Barrett has formed a baseball team made up principally of last year's Aberdeens and a few new men who are said to be good ones. A pitcher will likely be imported to do the box work for the team in the city league this year. At a meeting, held the other night, Barrett was elected manager, and McGarry, captain.

Orval Thompson has returned from spending a few days in Fenton and Detroit, Mich. He saw the Detroit-Cleveland ball game, which Detroit won yesterday by a score of 11 to 1. Orval says Detroit has a good team this year, and that Carr, the first baseman, is a star. In yesterday's game he secured four hits out of four times up. Donovan, the pitcher, is a good one and won his game easily. Crawford hasn't made a hit since the league season opened.

TILBURY ORGANIZES. At a meeting of baseball enthusiasts in The News office last Wednesday evening the club was re-organized for the present season. The following officers were elected:

Hon. Pres.—J. S. Richardson.
President—W. C. Crawford.
Vice-Pres.—F. M. Scarff.
Manager—W. A. Johnston.
Sec'y-Treas.—D. Smith.
Ground Committee—V. Mather, D. Mailoux, F. Beno and W. A. Clark.
Subscription Com.—W. A. Johnston, F. E. Nelles, F. M. Scarff and D. Smith.
Property Com.—Manager, Captain and Sec'y-Treas.
Capt.—F. E. Nelles.
From all indications, Tilbury, this season, will have the best ball team in

the history of the village. — Tilbury News.

NEW DOVER CHURCH

Col. J. B. Rankin, K. C., J. G. Kerr, Kenneth Urquhart, Rev. Dr. Battisby and Rev. W. E. Knowles drove out to Richmond's School House to-day to attend the ceremonies in connection with the laying of the corner stone of the new Presbyterian church being erected in that vicinity. T. L. Pardo, M. P. P., and Kenneth Urquhart were to have laid the corner stone of the church but Mr. Pardo was unable to go and J. G. Kerr went in his place. Mr. Pardo donated \$50 to the church. Silver trowels were made in this city for Mr. Pardo and Mr. Urquhart. The Chatham contingent were all expected to make addresses.

Any person having garbage to dispose of can deposit it on the land at Blonde Bros' dock.
