Donations to the "Publication Fund."

At their Annual meeting held in March, 1871, the Board of Directors having taken into consideration the need of more capital, to carry on the enlarged work of the Society, adopted the following resolution :

"Resolved, That in view of the increasing efforts of the British American Book and Tract Society to evangelize the Province through Colporteur labour, the Finance Committee be authorized to collect at least the sum of TEN THOUSAND DOLLARS as an addition to the 'Publication Fund' of the Society." The following Donations, amounting to about \$3250, have been received for this object. It is earnestly desired that the balance of the above sum, nearly \$6750, be made up by contributions from friends of the cause.
