**Gossip.**  
In a certain home where the stork recently visited there is a six-year-old son of inquiring mind. When he was taken in to see the new arrival he exclaimed: "Oh, mamma, it hasn't any teeth! Oh, mamma, it hasn't any hair!" Then clasping his hands in despair, he cried: "Somebody has done us! It's an old baby."

Messrs. Burns & Sheppard announce that they will sell at the Repository, cor. Simcoe and Nelson Sts., Toronto, Ont., on Wednesday Nov. 8th, a magnificent consignment of 10 Shire stallions and 20 mares, forwarded by Messrs. John Chambers & Sons, Holdenby, Northampton, Eng., who own a farm of 2,000 acres in the Shire district, and breed the very best and soundest of Shire horses, which from birth are kept in natural condition, being neither forced nor overfed for show purposes. They are anxious to test the Canadian market, even at the risk of losing money, but expect, of course, that farmers and breeders will appreciate their efforts and respond by liberal bidding. Every horse is guaranteed. Write for a catalogue to Burns & Sheppard, and arrange to be present or represented at this sale, which should afford an excellent opportunity to secure a good selection of imported Shires.

## THE INTERNATIONAL LIVE-STOCK SHOW.

The International Live-stock Exposition, Chicago, comes at a time when it is convenient not only for the father to attend, but to bring the boys and mother and the girls to see and learn all about the wonderful strides being made in domestic animal production. This year it is held from December 2nd to 9th at the Union Stock-yards. Students of animal husbandry will look forward with much pleasure to the completion of the new building. There is no place where the students of Animal Husbandry can learn more in so short a time than at this show. The facilities for a close inspection and study of high-class animals will this year be immensely improved, and the stockmen of America should, and no doubt do, appreciate the liberality of the Union Stock-yards in providing such ample facilities in advance of the completion of the membership asked by them from the stockmen as a guarantee of the continuance of the show.

## ROBT. HUNTER'S AYRSHIRE SALE.

It is with regret we announce that, owing to ill health, Mr. Robert Hunter, of Maxville, Ont., is compelled to dispose of his herd of high-class Ayrshire cattle; therefore, at his farm, at Maxville, Ont., on November 15th, with Capt. T. E. Robson, wielding the hammer, the whole herd will be offered without reserve. There are, all told, 50 head, 38 of which are either imported from Scotland or are bred from imported sires and dams, and represent the best blood that Scotland produces. The herd is admitted to be one of the best on the continent, and to contain a number of animals that are unexcelled anywhere, and altogether it makes the best herd ever offered by public auction. For the last three years they have won the bulk of money offered at Canada's leading shows. This year at Toronto they won, with two exceptions, every first prize they competed for, including herd prizes, championships and medals. Three importations were made as a foundation for this herd; the last in 1903, when 20 head were brought out. Great care was exercised in the selection, and no expense spared to procure the heaviest milking and highest testing strains, and particular attention was paid to the form of udder and size of test, and those showing strong constitutions. This sale will offer the chance of a lifetime to procure at the people's own prices Ayrshire cattle, some of which could hardly be equalled in any herd on this side of the water or in Scotland or France. The farm can be reached by train at the C.P.R. to Ottawa, then the Ontario Atlantic to Maxville; or by the G.T.R. to Coteau Jet., then by the Can. Ry. Atlantic to Maxville. Mark down for Nov. 15th, number 15th. Fuller particulars in subsequent issues.

## Is Cancer Hereditary?

Some physicians say no, but those who have treated the disease extensively say that it certainly is hereditary. Dr. David M. Bye, of 426 N. Illinois St., Indianapolis, Indiana, a Cancer specialist of ability, says that in his experience of nearly thirty years he has treated many thousands of cases and from his records he can trace an hereditary tendency in 50 per cent. of the cases. With his **Combination Oil Cure**, recently discovered by him, he has treated and cured Cancer in almost every situation of the body and in all stages. He says there is no need of the knife or burning plaster, no need of pain or disfigurement. **The Combination Oil Cure is soothing and balmy, safe and sure.** (22)

D. A. Graham, of Thedford, has bought a farm at Wanstead, and to get room, will give bargains in Berkshires and poultry. Among them are a lot of prizewinners, all in fine condition. D. A. Graham, Wanstead, Ont.

"You have an indulgent husband, haven't you, Mrs. De Lush?"  
"Yes, indeed. There are times when I'm really afraid that he indulges—er—too much."

## RESCUED FROM THE DEADLY CLUTCHES

One More Cure of Bright's Disease by Dodd's Kidney Pills.

**Mr. Theodore Young, of Smith's Falls** was Beyond the Doctor's Aid Now He's Well and Strong.

Smith's Falls, Ont., Oct. 16.—(Special.)—Mr. Theodore Young, a well-known citizen of this place, is one of the many Canadians who have been rescued from the clutches of the much-dreaded Bright's Disease, by Dodd's Kidney Pills.

"For two years," says Mr. Young, in relating his experience, "I was afflicted with Bright's Disease. The doctors told me I could get no relief. My urine was very dark and I lost considerable blood, making me so weak I could scarcely stand. I also used many medicines without getting relief."

"Hearing of wonderful cures by Dodd's Kidney Pills I decided to try them, and after using the first box I found great relief. After using four boxes I was able to go to work, which I had been unable to do for some time. I recommend Dodd's Kidney Pills to all who are afflicted as I was."

Dodd's Kidney Pills always cure Bright's Disease, the most advanced stage of kidney trouble, and show which more easily and they cure the earlier stages of Kidney Disease.
