Gossip.

The Secretary of the Canadian Jersey Cattle Club writes us that at the annual meeting of that Club, on Wednesday, February 4th, much very important business will be undertaken. There will be a vote on the proposed increased scale of fees for annual membership, and for registration. There will also be discussion regarding the negotiations which have been proceeding between the Secretary and the Committee of the American Jersey Cattle Club on reciprocal relations. The Club is in the healthiest state as regards finances, number of members, and increase in registration, than it has ever been. It is very important for every Jersey man to be at this meeting.

HULET'S CHAMPION HOLSTEINS TO BE SOLD.

It is not necessary in this short review to enumerate the marvelous showing winnings of this herd, all interested in the great Holstein breed know it well. A card addressed to A. E. Hulet, Norwich, Ont., will bring a catalogue giving every desired information. The herd of fifty head will be sold without the slightest reserve, forty females and ten bulls, senior and junior champions, male and female, first-prize aged, junior, graded, and breeders' herds, first-prize progeny group the get of one sire and the produce of one cow, positively the highest-class lot of cattle ever offered in the history of Holstein cattle in Canada, and in the matter of producing ability their records range from 17 lbs. for two-year-old heifers, 22 lbs. for three-year-olds, to 25 lbs. for adult cows, and to-day, in the heart of the strongest Holstein center in Canada, Mr. Hulet is daily shipping more milk from Norwich Station than any one of the dozens that ship at that point. Every animal is in the pink of condition, and every animal is a regular and consistent breeder; that is, those of breeding age. There are absolutely no culls in the herd. It is an opportunity for the public of an importance never before equalled, and probably will never be equalled again. All the morning trains will be met at Norwich from the four directions, St. Thomas, Simcoe, Brantford, and Woodstock, or for parties arriving the day before there is splendid hotel accommodation at Norwich, and the farm is only a little over a mile out.

THE BREAD LINE.

(By Berton Braley, in Toronto News.)

Well, here they are—they stand and stamp and shiver,
Waiting their food from some kind stranger hand.

Their weary limbs with eagerness quiver,
Hungry and heartsick in a bounteous land.

Yes, here they are—with gaunt and pallid faces,
With limbs ill-clad and fingers stiff and blued,

Shuffling and stamping on their pavement places,
Waiting and watching for their bit of food.

We boast of vast achievements and of power,
Of human progress knowing no defeat.

Of strange new marvels every day and hour—
And here's the bread line in the wintry street!

Ten thousand years of war and peace and glory,
Of hope and work and deeds and golden schemes,

Of mighty voices raised in song and story,
Of huge inventions and of splendid dreams.

Ten thousand years replete with every wonder,
Of empires risen and of empires dead,

Yet still, while wasters roll in swollen plunder,
These broken men must stand in line—for bread.
