## Many Women Suffer Untold Agony From Kidney Trouble.

Very often they think it is from so-called "female disease." There is less female trouble than they think. Women suffer from backache, sleeplessness, nervousness, irritability, and a dragging-down feeling in the loins. So do men, and they do not have "female trouble." Why, then, blame all your trouble to female disease? With healthy kidneys, few women will ever have "female disorders." The kidneys are so closely connected with all the internal organs, that when the kidneys go wrong, everything goes wrong. Much distress would be saved if women would only take

at stated intervals.

Miss Nellie Clark, Lambeth, Ont., tells of her cure in the following words:—"I suffered for about two years with kidney trouble. I ached all over, especially in the small of my back; not being able to sleep well, no appetite, menstruation irregular, nervous irritability, and brick-dust deposit in urine, were some of my symptoms. I took Doan's Kidney Pills. The pain in my back gradually left me, my appetite returned, I sleep well, and am effectually cured. I can highly recommend Doan's Kidney Pills to all sufferers from kidney trouble."

### GOSSIP.

#### ANGUS BREEDERS MEET.

The Aberdeen Angus Breeders' Society of Canada met at Guelph during the Winter Fair in December. The meeting was attended by members from different parts of the Province of Ontario, and each one seemed to have the conviction that the day of the Angus is about to dawn upon the people of Canada, especially those who have visited the International Show at Chicago, the greatest exhibition of fat stock on the American continent, where the Angus came out on top so often, and where their friends hope to see them in the near future at our Canadian winter fairs.

The additional \$50 given by this society to the sweepstakes prize at the Winter Fair at Guelph, should the winner be from an Angus sire, should induce some of the best feeders of Canada to experiment with the Angus, which would most certainly give good results. The few Angus grades shown in 1904 gave a fairly good account of themselves, especially in the block test.

The officers-elect are:—President, Jas. Bowman, Guelph; Vice-President, John Varcoe, Carlow; Secretary-Treasurer, J. W. Burt, Coningsby.

#### CLAREMONT STOCK FARM.

While in the Manitou district not long ago, the writer visited Claremont Stock Farm, which is owned by Mrs. C. H. Brown, of Manitou, and managed by her son, F. A. Brown. Their Shorthorn herd is increasing both in numbers and quality, and as the quality has been good from the beginning, this is saying considerable. Caltness 2nd —48621—, sired by Purvis Thompson, and got by Caltness —22065—, dam White Rosebud, by Hillary, is their present stock bull. White Rosebud is now owned by Mr. Brown. She has proved to be an excellent breeding cow. Mr. Thompson considering her one of his best. As a two-year-old she won first at Winnipeg in a strong ring of thirteen heifers. The first prize two-year-old bull at Winnipeg in 1903 was a son of hers. She and her stock have won first wherever shown. Caltness 2nd is a deep, thick-bodied roan, of extra size and very smooth. At Manitou this year he won first and sweepstakes. His full sister, Minnie Bud, is a grand roan yearling, winner of first at Manitou. Mrs. Brown's herd also won highest honors at Manitou. Another grand Caltness heifer is the two-year-old, 8th Duchess of Willowdale, out of Duchess of Rosedale 12th. She, along with Duchess of Claremont 5th, by Caltness, dam Duchess of Rosedale 11th, by Defiance, make an excellent pair. Mr. Brown is thinking of fitting a young herd for Winnipeg, 1905, and there is no doubt but that the individuals he has are worthy such competition, whether they are successful in winning prizes or not.

Twelfth Duchess of Rosedale has a beautiful red heifer calf at foot by Caltness 2nd. At this farm there are also some fine young things by President, the former stock bull.

Some little time ago the Browns sold six good Shorthorns to Mr. J. C. Loree, of Nanton, Alberta—one cow, four three-year-old heifers and one yearling heifer, and he has recently written that his calves are coming O. K.

#### MAPLE GROVE STOCK FARM.

Wm. Ryan, of Ninga, proprietor of the above farm, is well known to most of our live-stock readers as a Shorthorn breeder. His famous stock bull, Lord Missie of Ninga, won first prizes three times in succession at Winnipeg Fair; in fact, never was beaten. Mr. Ryan has several females that have distinguished themselves at the leading fair of Western Canada, when, along with Lord Missie, they won second herd prize in 1903, besides honors in their respective sections. One of these is Lynette, the get of Lord Missie; in the calendar year ring of '03 she won first. She has developed into a grand, thick-yearling, and if nothing happens will be heard of again. Lord Missie's get are developing well, having considerable size, with quality and style. Stella 2nd is one of the best Maple Grove matrons. She is an excellent cow, and although up in years is a regular breeder, her present calf being a good, thick young heifer, by Judge's Choice. Vivac, one of Mr. Ryan's show cows, is a daughter of Stella 2nd, by Sir Charles Tupper. Rosabella 9th, winner of first in three-year-old ring at Winnipeg in 1903, is a grand breeder as well as show cow. Last year she raised two calves (not twins). She was got by Indian Nobleman, dam Rosabella 7th, by Gravesend's Heir 2nd (imported in dam). Another fine, even breeding cow is Stella Jane, got by North Star, dam Stella 2nd. She is a large cow, and all her calves have been prize-winners. The flower of the herd, however, is the roan Rosabella 10th. Sired by Lord Missie of Ninga (thrice winner of first at Winnipeg), dam Rosabella 9th, yearling is extra deep and smooth, well let down in flank, with well sprung ribs, good width of back and loin and straight lines.

The present stock bull is Standard Bearer, got by Golden Standard, dam Princess, by Manitoba Chief. Standard Bearer is a fine red yearling of choice quality, bred by Andrew Graham, of Pomeroy, Man. Mr. Ryan has several other young bulls of good type, sired by Lord Missie, good growthy fellows, some of them out of his show cows.

Besides Shorthorns, Mr. Ryan has two fine Clydesdale mares and quite a few Berkshire pigs.

### 48 LESSONS FREE BESIDES.

We have made special arrangements with the U. S. College of Music, New York, one of the best and most widely-known schools of music in the U. S., to give 48 lessons by mail (one year's tuition), to everyone who purchases one of our instruments. If students have never taken lessons before they can begin with the rudiments; if they are well advanced, they can be taken up at the point they left off and carried on through a full year's course. The teaching is done by mail by a plan which is perfected so that it accomplishes as much as a private teacher would, and at the same time gives all the advantages of a large conservatory of music. The instruction you will receive will be from the best and most accomplished musicians and professors in the country. We guarantee that you can learn the violin by mail.

If you doubt it for a minute, read the following testimonials: Wallack's Theatre, New York. Dear Sirs,—"I can take great pleasure in speaking of your Correspondence School of Music. It is hard to conceive how anyone can take one term in your school and not show the benefits of your teaching long before the term is up. I heartily endorse it to all who are thinking of taking up the study of music. (Signed) Wm. Stoll, Violinist." Eugene R. Kenney, musician, teacher and composer, writes: "I have taken great interest in your methods of teaching music by mail, and think without any doubt it is the most thorough and the most simple yet adopted. There is no reason why anyone, old or young, should not become first-class musicians through its means. I have had many opportunities to study the different methods of instruction, but can say yours far surpasses any that I have ever examined. I can recommend your system to all who desire to become musicians." Israel Hesson, Holt, Ont., writes: "I am overjoyed with the lessons so far." Rev. Bro. Godfrey, Quebec, writes: "I am receiving your lessons regularly, and am making a grand success with the violin."

Dear reader, this is a chance of a lifetime. No other concern in Canada has ever been able to make such an offer. Just think for a minute. The cheapest violin lessons from the poorest teacher would cost you 25c. each, and the lessons that we give are by the best teachers and professors in the U. S., and are worth at least 50c. That would be \$24 for the year's tuition, and all we ask is \$17. Only \$1 to start—and you get a \$40 violin and outfit besides. We have gone at length into the lessons, because you can't judge them beforehand, but you can see and examine the violin, and we know you will say it is one of the finest you ever saw. It is an instrument that steadily improves with use. One man that purchased one a year ago told us that he just refused \$30 for the violin alone. Now there is nothing exaggerated about this advertisement. It is a plain statement of facts. We are aiming to build up a very large business on small profits, and the rapid strides we have made in the last six months shows us clearly that we are on the right track.

Cut out the coupon and mail it to-day, or if you would like further information, write us fully. We will gladly answer all inquiries. If you wish to take advantage of the cash price, send \$1 just the same, and we will ship the outfit to your nearest express office, where you can examine it thoroughly. Then, when found exactly as represented, you can pay the express agent the balance, \$14 and charges. If the outfit is not fully up to your expectations, you can return it to us and your dollar will be refunded. We could not make a fairer or a more liberal offer. Address: **JOHNSTON & CO., 191 Yonge Street, Toronto, Canada.**

The Chicago House-Wrecking Company the other day signed a check for \$500,000 and handed it to the management of the Louisiana Purchase Exposition, at St. Louis, thus consummating the most gigantic personal property deal in history, and the company came into possession of one of the greatest institutions ever devised by man's genius, and a property that cost \$50,000,000 to put in its present form.

In the schools of a Connecticut town measures were recently taken to test the children's eyesight. As the doctor finished each pupil he gave the principal a list of the pupils whose eyes needed attention, and requested him to notify the children's parents to that effect.

One night, soon after the opening of the fall term, a little boy came home and gave his father the following note, duly signed by the principal:—

"Mr. —: Dear Sir,—It becomes my duty to inform you that your son shows decided indications of astigmatism, and his case is one that should be attended to without delay."

The next day the father sent the following answer:—

"Dear Sir,—Whip it out of him. Yours truly,

We say God bless the enthusiast—but we needn't ask it, for the one who goes through his daily work with intelligence and enthusiasm, radiates the blessings as he goes.

An Arkansas farmer, describing to a tourist some of the wonderful properties of the mineral springs of that State, said: "Do you see that spring over there, stranger?" He said that he did, whereupon the farmer added: "Well, that's an iron spring, that is; and it's so mighty powerful that the farmers' horses about here that drink the water of it never have to be shod. The shoes just grow on their feet naturally."

"This custom of having two telephones in the office has its disadvantages, too," said the business man. "We've got a new office boy, and one of his duties is to answer the telephone. The other day he heard the bell ring, and, coming to me, said: 'You're wanted at the 'phone by a lady.'"

"Which one?" I enquired, thinking of the 'phones, of course.

"Please, sir," stammered the boy, "I—I-I think it's your wife."
