Hampton, Granville,

February 2nd, 1877. Messrs. CALEB GATES & Co.

Gentlemen—This is to certify that my wife was taken sick in Feby, 1875 with Liver complaint and what the Doctors call General Debility her stomach had become so weak that she could not retain any food on it but would be in awful distress and would throw it all up. I had three Doctors to see her she was under the treatment of two of them for about six months and did not seem to be much better and one of them told me not to flatter myself for she could not stand it long and that they had done all they could for her. We heard of your medicine and she wanted to try them. I saw the Doctor and told him that she wanted to try Gate's Medicines and he told me by all means to get it for her, he said if it did her no good it would do her no hurt, I got 2 bottles one of No. I Bitters and one of No. 2 Syrup she had not taken it but a few times when she stopped vomiting and began to get better she continued taken the medicine and in three or four weeks was up and about the house and is now able to attend to her household affairs. You can use this as you please for the benefit of the suffering.

Yours very respectfully, HARRIS M. FOSTER, J.P.

A Sense of Weariness

is eften felt by persons who cannot locate any particular disease. If they work it becomes labor; if they walk, they soon tire; mental efforts become a burden, and even joys are dimmed by the shadow of this weakness which is cast over their lives. Recourse is had sometimes to stimulants of a dangerous character. The advice of physicians to refrain from active labor produces no happy results. Why? The system is debilitated and needs to be built up properly. PERUVIAN SYRUP will do this very thing. Like the electric current, it permeates the entire system, and harmonizing with the corporeal functions, it raises up the enfeebled, and brings the color to the cheek again, and hope to the despondent. It does its work promptly and well. Sold by all drugWHOLESALE AND RE's for
