Lives of Eminent English Churchmen.

To be published by subscription, price 6s. per vol., post free, to any part of the Dominion. To Subscribers in Advance, 4 vols., post free, as published, for 21s.

It is a remarkable fact that in these days of literary activity the English Church should remain destitute of any systematic work on the Lives of her greatest men. True, we can point to a few Biographies, marked by ability and learning, written with the sympathetic appreciation of the man and his work, without which all Biographies must be lifeless and unsatisfactory. But these are the few exceptions, and are generally written from too narrow a standpoint. It is felt that a series of Biographies of Eminent English Churchmen, written with a view of supplying this want, will be acceptable. Under the above title, it is proposed to issue at short intervals, a series of vols. in Crown octavo; each Biography will, as far as possible, be a History of the period in which those eminent Churchmen lived.
