Joe Donnelly Said to Have
Had Dealings With Fred-
erickton Ball Club.

HALIFAX, N.S., Nov. 28.—In an
article on Joe Donnelly, the McGill
line plunger, accused of playing pro-
fessional baseball, the Sydney Post
says:

"We are of the opinion that it is
the self same Joe. In fact, in a letter
received from a friend in Montreal
recently, the editor was informed that
Joe Donnelly, star wing of the Mc-
Gill football team, wishes to be re-
membered to you. Again we have
seen several pictures of Joe in foot-
ball regalia which appeared in a re-
cent issue of a Montreal paper, and
it is not Joe it is his twin brother.
Joe played first base for the Domini-

on C.B. team two years ago and
started with them last season. He
was released, however, and signed on
with Waterford, for whom he star-
ted during the latter part of the sea-
son."

The Fredericton Gleaner says:—
"There are a good many of us who al-
ways had the idea that the Cape Bre-
ton baseball league was a semi-pro-
fessional organization at least; but
now Joe Donnelly comes to bat with
a statement that his brother had play-
ed professional baseball, but he had
never done so. I don't think many
people have been of the opinion that
Joe has been playing ball down in
the Cape Breton league the past few
years for nothing. He was on the pay
roll of the St. John magnates until
he drew an indefinite suspension, after
which he jumped to Cape Breton.
while on the black list, and in my of-
fice to-day is a telegram in which he
placed \$30 per week as the salary he
wished to draw down from the Fred-
erickton club and then it was that the
McGill strong man signed up with St.
John."

Prof. Malcolm May
Coach Queen's

KINGSTON, Nov. 28.—Prof. Lind-
say Malcolm, of Queen's University,
will accept the position of coach of
the senior Rugby team for the Fall
of 1914, under certain conditions. The
Athletic Committee, when it secures
such a man as Mr. Malcolm, feels
that the members of the team must
get down to business in a different
manner from that in which they have
done in the past. It will be necessary
for the players to get back to college
earlier than heretofore.

JOHNSON IS DOING WELL
Tom Flanagan of Toronto, has re-
ceived a letter from Jack Johnson,
the heavyweight champion, who is
now in Paris. Johnson wrote that he
is to be matched with either Frank
Moran or Joe Jeannette, but he was
in no hurry to fight, as he was doing
well in the vaudeville houses.

TYPICAL SCENE AND TWO LEADERS IN THE MEXICAN FIGHT.

Woodstock College is
Out With Strong Denial

LONDON, Nov. 28.—The report
originating in a local paper yesterday
that a representative from Woodstock
College had been in London offering
a couple of London O. H. A. players
free tuition and board if they would
come to Woodstock College and play
hockey for that institution this winter,
is strongly denied by the college fac-
ulty. Principal Neil, after the article
had been brought to his attention, and
stated emphatically that it was a
glaring untruth, and that Woodstock
College would never sanction any
such dealings.

"The record of this college in
sport is clean and too irreproachable,"
said Dr. McNeil "to make any such
offers, and to countenance any such
attempts to give Woodstock College
a strong hockey team. If such a
person was in your city making such
offers to London hockey players, he
did not come from Woodstock Col-
lege, and he had no connection with
this institution in any way. If the
paper publishing the article had acted
fairly in the matter it would have
called up the college to verify such a
story. For made some effort to learn
whether the story was false or true.
It is a falsehood from beginning to
end as far as the college is concerned.
"We didn't do any such thing; we
couldn't and we wouldn't. The state-
ment is false from beginning to end;
you may deny it as emphatically and
unreservedly as possible."

PUCKERINGS

St. Michael's are doing their pre-
liminary training at West End Y.
M. C. A. Addison has been out sev-
eral times.

The N. H. A. will meet at Montreal
to-morrow, when the question of re-
vising the schedule will be discuss-
ed.

Ramsay Rankin, the former Strat-
ford and McGill player, will play for
the New York Athletic Club team this
season.

Manager Lesueur of the Ottawa
team is after Granbery of the London
O. H. A. intermediate team. He is
also after Hefferman of T. R. and
A. A. Mt has little chance of sign-
ing the latter. Windor of Cobalt
will be given a trial.

There has been an effort made in
Hamilton to bring about an amalga-
mation of the Centennial and Hamil-
ton Hockey Clubs, but so far it has
failed. Only one club will be given
the use of the Alert rink and there
will be some squabbling before it is
allotted.

Hamilton Herald:—There is no
chance of Mac McKenzie, the former
T. R. and A. A. speed merchant,
playing for a Hamilton team this
year. He has not been a resident of
this city long enough to comply with
the O. H. A. residence rule, and the
will have to be content with playing
his hockey from the side lines. Ef-
forts are being made to have him
judged eligible, but so far no success
has resulted. McKenzie would do
nicely.

Hamilton Herald:—It would be a
sad blow to hockey in Hamilton
should the junior O. H. A. team be
disbanded, as it will be if the Hamil-
ton Hockey Club is refused the use
of the Alerts Rink. The Centennials
have stated that they certainly will
not carry a youngster septette. Then
we ask, where is the material for fu-
ture teams to come from? That tidy
little squad that Billy Graham is
grooming, these nights looks good
enough in the fight for honors this
year to keep the fans on edge, and
next year these boys will be fit for
advancement to the intermediate
rank. Do away with the juniors
and things will be in a sorry mess,
in our opinion.

London Has Plenty
Of Intermediate Men

LONDON, Nov. 28.—A list which is
practically complete of the players
trying out for the London O. H. A.
team is as follows:

Wardrobe of last year's semi-final-
ists in goal, as well as Roy Wright
of last year's juniors. Hall, who will
play point, was a member of last
year's Collingwood champions. "Doo"

Reid of last year's Seaforth intermedi-
ates will play cover-point. Ambrose
McAvoy of last year's intermediates,
is again available for the rover pos-
ition. He has to beat out Ritchie of
Fort William. Dave Read, also of
last years team looks better than ever
for the center of the ice position.

The forward line will be composed
of the following: Laurie Gillies, of
last season's team; Lee Walden, Gus
Edwards of the Parkdale Canoe club
seniors last season; Carmichael, of
Sudbury and McAtcher of Cornwall,
who is reported to be very fast.

RIVERS GAVE CROSS
A BAD GRUELLING

Mexican Had New Yorker
Down 3 Times, But Latter
Weathered Through.

LOS ANGELES, Nov. 28.—Joe
Divers, the Mexican pugilist, defeated
Leach Cross, the New York light-
weight in twenty rounds of boxing
at the Vernon Arena yesterday. Af-
ter two knockdowns in the fourth and
ninth rounds Cross showed marvel-
lous recuperative powers and fought
brilliantly, but could not overcome
the lead Rivers won by consistent and
vicious mugging.

Cross had a marked advantage in
five rounds, while Rivers led in thir-
teen. Referee George Blake's decision
was popular with the crowd.

The most spectacular of the twenty
rounds was the nineteenth, when
Cross apparently tired and beaten,
electrified his supporters by leaping
after Rivers and fighting him off his
feet. At the bell the Mexican was
hanging on.

Rivers' first knockdown was scored
in the fourth, with a short left hook
to the jaw. Cross remained down for
the count of nine. Rivers repeated this
feat in the twelfth, flooring Cross
with right and left swings to the face.
Cross was plainly dazed and once
more took the count of nine.

CLABBY DEFEATED LOGAN

SAN FRANCISCO, Nov. 28.—

Jimmie Clabby, the Hammond, Ind.,
middleweight, defeated Soldier Frank
Logan in the fourteenth round, of a
scheduled twenty round fight here
yesterday. Referee Griffin stopped the
unequal bout.

DIDIER PITRE
GOING TO COAST

Canadian Right Wing Player
Accepts Terms With
The Patricks.

MONTREAL, Nov. 28.—Didier Pi-
tre, who has been exchanged to the
Pacific Coast Hockey League for
"Newsy" Lalonde by the Canadiens,
came to terms with the Patricks last
night. The French player will draw
a salary of \$1,600 for the season, out
of which he will have to pay his own
transportation to and from the coast.
Pitre is said to have notified the Pa-
tricks, that he would leave Montreal
on Sunday night. Pitre was one of the
stars of the Canadiens a year ago.

Will Not Enter
Senior Series

KINGSTON, Nov. 28.—Prof. M.
B. Baker, of Queen's University, pre-
sident of the Intercollegiate Hockey
Union, has called a meeting of that
union for Saturday afternoon in
Kingston. Representatives from Varsity,
McGill, R.M.C. and Queen's will
be on hand. Prof. Baker has received
definite word from the cadets of the
Royal Military College, stating that
they do not intend entering the sen-
ior series. Some of the cadets feel
that it would be too much to jump
into two senior series in one year.
They will enter the intermediate
series, the same as last winter.

Frank Patrick will play in Didier
Pitre's place until the Frenchman
arrives at the Pacific coast.
