and chowder, or secure a gun and powder, shooting from the Hun the slaw; for the husky boys are needed where the farmers' fields are seeded; long we've argued and we've pleaded, now we're laying down the law. Soon the harvest will be yellow and we'll hear the farmers bellow for the able-bodied fellow who can handle sheaves of wheat: and the loafer who is standing, chunks of elocution handing to the public should be landing in the FOR SALE—Desirable building lot country with both feet. BAD HAIL STORM.

By Courier Leased Wire Saskatoon, Sask., June 19.—One of the worst hail storms in the recorded history of Saskatoon broke over the major portion of the city last evening shattering windows and street lights and stripping vegetation, but fortunately doing very slight damage to persons who were

midst of it. The residential district of Nutana July 17 glass was left in the windows exposed to the south. The large hall stones sent glass flying in splinters, through window blinds and filled the rooms with showers of ice. Green houses and verandahs were split to pieces. Much damage was done. The west side of the city for the most part escaped.

Garden truck has been ruined and trees stripped of their foliage.
