SHERATON'S CARPET

Warerooms!
GERMAN STREET,
New Market Hall,
ST. JOHN, N. B.

HAVE had a great run ever since
the season opened. Here Mr. A. B.
Sheraton has one of the finest ware-
rooms in Canada—certainly the most ap-
propriate and convenient of any in the Maritime
Provinces. The room is 80x50 feet, with
a 12 ft. gallery all around, and is lighted by
50 large windows, forming a most cheer-
ful, airy and pleasant place wherein to
spend an hour in the deliberate con-
siderance of an important household duty at
this season of the year—the study and
selection of new carpet coverings. The stock
of carpets here offered to intending pur-
chasers is quite bewildering, as regards
variety of make, patterns and styles, but
while many may be doubtful as to the best
selection to make where so many new and
beautiful designs are offered in Brussels,
Tapestry (Crawley's choice), All-wool
Scotch, Union, etc., there is not the
slightest doubt in regard to price, which
all agree in regarding as unusually cheap
in this city. The hall and stair coverings,
as well as the stock of carpets, are pre-
sented in great variety and at prices
which place them in the hands of the
people of all ranks. There is also a great display
of floor cloths, in all widths up to 30 ft.
and of the latest designs in European
and American goods; Curtains, American
and of various styles; gilt and walnut
Corbels and handsome gilt cornice Polys;
as well as mattresses, pillows, bolsters and
other necessary household articles. The
establishment is complete in all its ap-
paratus, and the staff of business which has
rendered work necessary for the last
season to the satisfaction which buyers
have received at Mr. Sheraton's Carpet
Cleaning, by steam, is also connected
with this establishment; the charge is
only four cents per yard, and highly re-
spected in this line of business. Alto-
gether, the new firm has made a most suc-
cessful opening and enters upon its campaign
cheered by the patronage and practical fa-
vour of a host of friends.

Local and other Matters.

FREDERICTON has 800 reformers.
DEAD.—Hon. Mr. Martell, M. L.
C., of Arichat.

A LUNenburg pig 16 months old,
weighed 296 lbs.

REFORM.—On Friday at Lunenburg,
260 signed the pledge.

ST. JOHN REFORM CLUB has fitted
up permanent club rooms.

TRURO REFORM CLUB with branches
has a membership of 3,000.

FELL DEAD.—At Halifax, on Mon-
day, Mr. B. O'Neill, fell dead on
Hollis St. He was one of the largest
real estate owners in the Province.

The Saturday Review thinks it
probable that the House of Commons
may be asked to make an extra-
ordinary grant for military and naval
purposes.

The McCarthy mystery still
deepens. The Scotcher's story is
eagerly scanned every day for the
body that the French boy Judd
Babino says he saw floating at the
bridge on December 12th.

A FRIGHTFUL ACCIDENT took place
on Thursday last at New York. The
engine in a confectionary establish-
ment exploded, tearing the building
in pieces, killing and wounding over
a hundred persons.

Unpleasant for the Postal Clerks on
I.C.R. will it be stated next session
in January. This is a move in the
right way. An important officer on
the Government Railways as a mail
Clerk undoubtedly is, ought to be
uniformed as other officers.

FATAL ACCIDENT.—A minor named
McDonald, a native of Cape Breton,
was killed in the Poor pit of the
Halifax Co. mine, by the caving in
of the roof on Wednesday last. He
was unmarried, and leaves no
relatives at the mines. —Picton
Standard.

On Sunday morning, 8th inst., a
live caribou was seen adrift on a large
ice floating past Dalhousie,
N. B., about a mile from the shore.
A party of eight men went off in a
boat and captured him after some little
trouble.

WANG KEIN SPOON, a young
Chinese nobleman, who had been
undergoing naval instruction on
board of a British ship, at Port-
smouth, arrived at Halifax by the
steamer "Cape Breton" on his way to
Bernardo, to join H. M. S. "Bel-
liphon," as Sub-Lieutenant.

POLITICAL RUMOR.—It is stated
that Mr. A. G. Jones, M. P. for
Halifax, and Hon. W. B. Vail, M.
P. for Digby, have resigned their
seats, in order to escape the penalties
of the Independence of Parliament
Act, and that they are for elections in
two counties will be issued forth-
with. Comment on this subject is
reserved for another issue. —Halifax
Herald.

PRODUCE FOR ENGLAND.—A gentle-
man from Britain has bought out
several proposed shipments of po-
tatoes, and is arranging for their
export during the winter and early
spring. We are informed that if it
were understood in Britain that good
supplies of farm, orchard and dairy
products could be obtained in cold,
sandy and sterile Nova Scotia, the
demand this fall would have about
cleared our Province of its surplus. —
Halifax Herald.

SHIPBUILDING ON THE MIRAMICHI.
—Mr. C. C. Watt, of Newcastle,
has on the stocks, in frame, a vessel
of superior model, which, when
finished, will perhaps be the finest
ever built on the Miramichi. Her
dimensions are 124 feet keel, 29 feet
beam, and 14 feet in depth. She
is intended to class 9 years English
Lloyds, being the first 9 years' ship
built in Miramichi, and will be con-
structed entirely of hewn oak and
pitch pine, and will register about
460 tons.

CHARGE OF PLAGIARISM.—A cor-
respondent of the News quotes ex-
tensively from two sermons, un-
delivered by the Rev. Mr. Mitchell,
in St. John, on Thanksgiving Day,
1877, and the other at Chicago, by
the Rev. Mr. Mitchell, in 1872.
He either copied the language of Mr. Cham-
berlain or that the latter anticipated
Mr. Mitchell's thoughts and words!
Mr. Mitchell, who is much esteemed
in St. John, will probably rectify and
explain. Extracts from the two ser-
mons are printed side by side in the
News, and the language throughout
is almost identical.

Cumberland News.

Hay, to home ports, 211 tons; to
Newfoundland, 38 tons; to United
States, 7 tons.

SHIPS of building stone from
Wallace the past season to New-
foundland, 523 tons; to United
States, 1,093 tons; to Dominion
ports, 5,497 tons; and 1,903 tons of
rough stone.

DEATHS.—Mr. Charles Marshall,
of New Annan, Cumberland County,
was found dead in his bed on Sat-
urday week. He leaves a wife and
two children. The cause of death
was of Wenworth, went out on
Wednesday morning, and did his
work as usual; then sat down; his
son noticed something peculiar in
his appearance, and called in his
mother, who laid him on the bed,
and where no further assistance
could be called the old man was
dead. About 90 years of age.
