Did you ever hear any one say they could not get good coffee except in the States?

I have heard it, scores of times, and it's one of the reasons that made me decide to go into the Coffee business.

Of the Americans who visit us in summer, hundreds take home a supply of Red Rose Tea because they have never used such good tea before. I determined to put up a coffee that would make for itself just as good a reputation. It has not been easy, but I am sure I have succeeded.

Estabrooks' Red Rose Coffee, put up in sealed tins is—well, it's good coffee. You and your American friends will say so.

A good combination is Estabrooks' Coffee for breakfast and Red Rose Tea for other meals.

### UNION MAJORITY NOT LARGE ENOUGH

#### Presbyterians 2 to 1 For Union, But Nearly Half do Not Vote.

Toronto, April 4.—The Church committee of the Presbyterian Church in Canada met yesterday and received reports showing the vote cast was as follows: Eiders, 6,245 for union, 2,473 against; members—106,755 for union, 48,776 against; adherents—37,175 for, 14,174 against. Ninety per cent of the elders but only 54 per cent of the members voted.

A resolution was passed expressing the opinion that the lay vote in favor of the organic union called for action toward closer union

although the strong minority vote indicated that organic union was not feasible at present. The committee therefore recommended that the General Assembly co-operate as far as practicable with the Methodists and Congregational Churches in foreign and home missions, educational work and theological publications.

An amendment favoring delay in view of the fact that one-third of the membership refraining from voting was rejected.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. ### MILWAUKEE SOCIALISTS DEFEATED

#### Elected in Three-Cornered Contest by 28,000 out of 60,000 Votes in 1910, They Are Beaten by a Combination.

Milwaukee, Wis., April 5.—In yesterday's civic elections, the Socialist party, elected in 1910, by a majority vote of 28,000 out of a total of 60,000, the Republicans 21,000 and the Democrats 12,000, was defeated. Their vote decreased to 32,000 but the Republican-Democratic fusion ticket polled 48,000, the total vote being 80,000.

Under the fusion plan the victorious ticket is under Democratic designation, but there is an even division of the candidacies between the old parties, and all candidates were pledged to abstain from party activity while serving the city.
