#### FULL of THRILLS

Here is a Novel that is a best seller. It is perhaps the best Western Story yet written. Cloth 50c. Postage 2c.

#### WHISPERING SMITH

(By Frank H. Spearman).

An exciting, adventurous railroad story, located in the Red Desert. A feud between Sinclair, foreman of the bridge, and McCloud, division superintendent, has its beginning in a railroad wreck. Sinclair loses his position and joins a band of outlaws who rob the railroad.

A posse of men under "Whispering Smith" pursues them and there is plenty of gun play.

A breathless tale of intrigue and villainy, realistic of the new life of the west, but softened and brightened by a double love story.
