

What a Kohler & Campbell Player-Piano Means to You.

OWING to the fact that it is so easily played; that it is so very simple in its operation that a child can play it, a Kohler and Campbell player-piano will open up the entire world of music to your home. The advantage of any player-piano lies in the fact that it is an instrument that does not have to await the skill of a pianist, of someone who can play by hand. But with a Kohler and Campbell player-piano, the ease and simplicity with which it can be played, by anyone, you have a means of playing the music you like, playing it yourself and playing it as you wish it played. You are the master of a Kohler and Campbell player-piano: It is not the master of you.

The price is \$700, upon any reasonable terms, satisfactory to you.

Have advanced a good deal lately in sympathy with the strong Provision market, and we would not be surprised to see prices go much higher than they are at present.

We are pleased to inform our customers that we were fortunate in securing a consignment of these goods before the recent "lift" in prices and are prepared to fill orders for a limited time at to-day's quotations.
