"Our Drug Department is our Business and not our Side Line."

## Opening Announcement

We are to-day opening our Drug Store in the very centre of the business section of the city, and are prepared to fill Prescriptions and Private Recipes, to supply Drugs, Chemicals, reputable Proprietary Remedies, Toilet Articles and Preparations, and all goods usually sold in a first class Pharmacy. All our stock is new and fresh, and much of it personally selected; and we have spared no pains to obtain the very highest quality of Drugs and Medicines of all kinds. We display a carefully chosen line of Christmas goods for the season.

In making this announcement, the Manager desires to thank his numberless friends in city and outports for the generous patronage and steady confidence accorded him during his many years in the Drug Business, and to assure them that in his new venture they will receive the same keen, accurate and sympathetic service which they have learned to expect from him.
