**IRON IN THE BLOOD.**  
The necessity of a due proportion of iron in the blood is well known to all medical men; when it becomes reduced from any cause whatever, the whole system suffers, the weakest point being first attacked, and a feeling of languor, lassitude and "all-goneness" pervades the system. Stimulants only afford temporary relief, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the

**PERUVIAN SYRUP,** a perfected solution of the protochloride of iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life to the whole system.

To take medicine to cure diseases occasioned by a deficiency of iron in the blood, without restoring to the system, is like trying to repair a building when the foundation is gone.

An eminent divine says: "I have been using the Peruvian Syrup for some time past—it gives me new vigor, buoyancy of spirits, elasticity of muscle."

Pamphlet containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address.

The genuine has PERUVIAN SYRUP blown in the glass. Sold by all druggists.

We were satisfied that they would be appreciated here as elsewhere, and that the reality of the advantages offered to wearers of our beautiful lenses, viz: the ease and comfort, the assured and readily ascertained improvement of the sight, and the brilliant assistance they give in all cases, were in themselves so apparent on trial, that the result could not be otherwise than it has, in the almost general adoption of our Celebrated Perfected Spectacles by the residents of this locality. With a full knowledge of the value of the assertion, we claim that they are the most perfect optical aids ever manufactured. To those needing Spectacles, we afford at all times an opportunity of procuring the best and most desirable.
