## FELLOWS

### COMPOUND SYRUP OF HYPOPHOSPHITES

All life-endowed bodies, whether of men, women, or children, are composed of bones, muscles, and nerves, which derive all their strength and vitality from the blood. When the blood is impure, the system is weakened, and the body is liable to disease. This Compound Syrup of Hypophosphites is a natural and powerful tonic, which restores the blood to its natural purity and vitality, and thus restores the system to its natural strength and vigor.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the system, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This Compound Syrup is based on which the blood is purified and renewed. Its direct action is upon the Blood, the Brain and Nerves, and it restores the system to its natural purity and vitality, and thus restores the system to its natural strength and vigor.

It is adapted for all cases of Weakness and Emaciation, whether arising from a Seditary life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, confirmed cases having been cured and all benefited, where it has been used after a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases.

This is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows Syrup, and take no other.
