

Therefore Mr. Massie must have taken it upon himself to change it, and Mr. Massie firmly maintaining that he had not made any unauthorized change. The item which Mr. Elliott objected to was committed to a committee in a lump sum, and he (Mr. Massie) had authority to obtain and submit the exact figures. Other members of the committee sustained Mr. Massie in his explanation. Mr. Elliott refused to be satisfied and words ran high. After adopting the report the committee rose. On motion the report was adopted in Council.

The Council went into Committee of the whole on the fifth report of the Fire and Water Committee. Mr. Chadwick in the chair. Mr. Heffernan moved, seconded by Mr. McLagan, that the first clause be inserted granting the prayer of the petitioners and providing for the erection of a lamp on Macdonnell street, in the vicinity of Thorp's hotel.—Cried.

Mr. McLagan moved, seconded by Mr. Robt. Mitchell, that the second clause be struck out. The mover thought it was better to increase the number of tanks rather than buy new hose.

Mr. Heffernan moved that the clause be adopted, but found no seconder. The motion was declared carried.

The committee rose and on motion the report as amended was adopted by the Council.

The report of the Market Committee was adopted.

BY-LAWS.

Moved by Mr. Richard Mitchell, seconded by Mr. Chadwick, that leave be granted to introduce a by-law for the levying of a special rate on the lot for watering certain portions of the Market Square and Wyndham Street, and that the same be now read a first and second time.—Carried.

The Clerk read the by-law accordingly. On motion the Council went into Committee of the whole on the by-law for the appointment of a License Inspector in conformity with the statutes. Mr. Coffee in the chair.

Moved by Mr. Chadwick, seconded by Mr. Heffernan, that the name of Nathaniel Croft be inserted in the blank left for that purpose.

It was moved in amendment that the name of Philip Sprague be inserted.

Mr. Chadwick said that he had no special reason for moving that Mr. Croft be appointed other than that the same person could fill both offices for the remainder of the year.

Mr. Howard thought Mr. Croft was incompetent. He knew him to be so, but no complaint had been made against him, and therefore he would support the motion.

Mr. Kennedy said he was grossly negligent and incompetent and he could prove it.

A vote was taken which resulted in a tie when the chairman gave his vote for the motion, and the name of Nathaniel Croft was accordingly inserted.

The first clause was amended so as to include the inspection of all places where liquor was sold or reputed to be sold. The third section was amended so that no reference was made to the old statute.

On motion the blank for the amount of salary was filled up with the sum of \$100, a motion making it \$50 having been withdrawn. A section was added requiring the officer to give security, himself in \$200 and two sureties of \$100 each, for the proper performance of the duties of his office. It was then dated 16th June, 1873, and takes immediate effect.

The committee then rose and on motion in Council the by-law was numbered 232, read a third time and finally passed.

Mr. McLagan moved, seconded by Mr. Kennedy, previous to the final passage, that the name of Philip Sprague be inserted instead of Nathaniel Croft. Yeas and nays having been called on the motion it was lost by 6 to 4.—Nays—Messrs. Chadwick, Howard, Coffee, Heffernan, Rich. Mitchell, Robt. Mitchell—6. Yeas—Messrs. Kennedy, Elliott, McLagan, Hogg—4.

On motion of Mr. Hogg the Mayor was authorized to issue a proclamation making the 1st of July a public holiday. The Council then adjourned at 11-10 p.m.

THE LION! THE LION!

GREAT COMMOTION IN THE DRY GOODS TRADE

and a Tremendous Rush at our Mantle and Millinery Rooms.

On all hands we hear of dull trade: "Nothing doing," says Tom, Dick, and Harry, but it is not so at THE LION. Times better than ever. Stid great bustle and activity at the leading house. The spring trade is opening beautifully, thus encouraging us to greater endeavors in the public well; and the reason of our success is apparent. Our Goods are all direct from the manufactory, and none can do a successful business unless those who buy from first hands, for which our Establishment has long been noted, and has raised the standard of our House (combined with the energy of the proprietors of the firm) to the present proud position, and more especially for the last two years, so that our daily sales are almost equal to the combined trade of the same character in the Town of Guelph.

OUR MILLINERY DEPARTMENT

Our Millinery is a complete success this spring, the taste inherent displayed by Miss McDonald is captivating all hearts, and places her high in the ranks of first-class Milliners. Combined with the genuine popularity of Miss Sutherland, thus making our rooms the centre of attraction.

THE GENUINE THING!

10 per cent. off for Cash

As Mr. STEWART is leaving for the British and Continental Markets in July, he has determined to reduce his large stock of Dry Goods and Clothing by \$20,000 this month. To effect this he has resolved to allow a discount of 10 per cent. on all purchases of \$1 and upwards. So rare a chance of securing cheap goods seldom occurring, the public should avail themselves of making and saving money. Quotations of prices being no real criterion of cheapness, an inspection of goods is solicited.

FOR SALE—A desirable Villa near Guelph, being part of Lot 35, Division A, Township of Guelph, lying on the north side of the Guelph and Fergus Road, 14 miles from the Market Square, and formerly known as the "Valentine" lot, containing about 2 acres of land, beautifully situated with natural trees, and having two remarkably fine springs of pure water, which might be used to advantage by a lover of pisciculture. There is a very comfortable brick cottage on the property containing 7 good sized apartments with stable and driving shed. There are few such properties to be purchased around Guelph.

Also—the "Let adjoining"—known as the "Hubbard Lot"—containing five acres, having natural shade trees interspersed throughout. The river Snyed forms its eastern boundary, and presents a very eligible site for a private residence, being a convenient distance from the town on one of the leading roads.

Terms for both properties liberal, and may be learned by applying to Charles Davidson, Land, Loan, and General Agent, Town Hall, Guelph. dw
