Notwithstanding This Price 700 Tons Were Shipped Into the Fort George Country

The prevailing rate of freight from Ashcroft to Fort George, the new city in Central British Columbia, on the line of the Grand Trunk Pacific, on the building, is five and a half cents pe pound, or \$5.50 per 100 pounds, say the Vancouver Province. This freight goes by stage from Ashcroft, on the Qanadian Pacific railway to the nearest point of navigation on the Frase thence by steamer to Fort George. This seems to be prohibitive, and yet it only serves to show with what feverish haste the people are rushing into th Grand Trunk Pacific country, According to actual records during the months of January and February this year, over 700 tons of freight were shipped

nto the Fort George country from Ash-The Natural Resources Security company, of 401 Winch building, Van-couver, owners of the Central Fort George townsite, report that during the past week they have notice of the erec tion of six stores, and a hotel planne as soon as the ground can be cleared for them. A sawmill at Fort George with supply lumber as fast as it is required as preparations have been made for a boom city demand.

Cheap Lumber

There is quality in lumber; do not forget that. Poor lumber means a cold, crude house; difficult to live in; difficult to rent; and difficult to sell. We carry cheap lumber suitable for some purposes, but the kind you want in your new house we make a specialty of. Inquire about our hardwood flooring. It costs you little more than fir and it adds greatly to the value of your house. We store our high grades in completely enclosed warehouses which give protection from dust, rain and sun. Our purchases are of such magnitude that we can demand the best of lumber for the least money. Our customers get the benefit! Inspection of any one of our thirty-six yards will satisfy you as to this. Two yards in Calgary.
We have a house proposition that if
