BOWLING GREEN COMMENTS

The Aylmer Bowling Green can justly be termed one of the town's beauty spots. The greens are in excellent condition for the season's sport. Truly it is a lovely spot to take in during a stroll on a hot summer's evening. Don't pass it without coming in and taking a seat. If you don't want to watch the play, bring along your newspaper as the greens are well lighted and you may be sure of always finding some of the boys on hand ready for a friendly scrap.

We already notice some of the fair sex watching the contests and would like to see a number of them trundling the bowls towards the elusive jack.

Games for the challenge buttons presented by Mr. A. E. Richards for competition in Scotch Doubles are in great demand, some half dozen challenges being already in his hands. Messrs Richards and Thos. Hammond have successfully defended them against Messrs A. R. Christie and E. H. Smith and a little later losing the coveted jewelry to Messrs J. M. and W. G. Wrong.

We have an intimation of a very hotly contested game to be played in the near future by teams representing the Carnation Milk Co. and the Aylmer Shoe Co.

THANKFUL MOTHERS

Thousands of mothers throughout Canada—many of them your neighbors—speak with thankfulness concerning the use of Baby's Own Tablets. Once they have used the Tablets for their little ones they would use nothing else. The Tablets are an absolutely safe medicine for even the youngest baby, being guaranteed by a Government analyst to contain neither opiates nor narcotics or other harmful drugs. Concerning them Mrs. David McRobb, Divide, Sask., says:—"I have used Baby's Own Tablets and have found them so satisfactory I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
