BUSINESS GOOD IN ALL SECTIONS

Retailers Buying for Fall and Winter Stock.

GOOD HARVESTS ARE PROMISED

Report of Wholesale Trade in Mon treal and Toronto-Local Job-

Toronto, Aug. 29 .- Bradstreet's trade review weekly summary: Fall conditions are influencing Canadjan trade. Crops are turning out well in Ontario. Crops are better in Quebec. In British Columbia trade is still improving, and reports from interior points are satisfactory. In

Manitoba harvesting is general, though interfered with by rains. Some new year at Winnipeg. Business failures for the week number 25, as against 14 last week and 20 in this week a year

Trade at Montreal is showing a for the fall and winter in hand without stationary at the bottom. The main further delay. Bountiful crops, better stream of lava flowed down the volthan seemed possible a month ago, are now being harvested. The outlook for old lava, when it divided and filled up trade is encouraging. The promise, as it appears at present, is for continued prosperity throughout the Dominion. Labor is well employed and in some cases it is difficult to obtain all the help needed. Railway earnings continue to show large increases. A few more failures have been recently regoods are very strong. Leading manufacturers of cotton goods this week advanced prices 4c to 2c per yard on a number of lines that were marked up on June 9, the new prices to take effect at once. This was due to the

increased cost of raw material. Numerous buyers, the advance guard of the influx in connection with the Dominion Industrial Exhibition and the autumn millinery openings, have appeared in the Toronto market this week. They have bought liberally and this is taken as an indication of a ous. Stocks of manufactured goods have been kept well within requireway, involving the expenditure of \$20,-

domestic staple goods. The trade out- spiritedly. look is encouraging. In wholesale circles at Quebec business is fairly active. The cool weather of the week does not seem to have affected the retail trade, which continues very fair for the season, Country remittances are reported satisfactory and the condition of trade healthy. Activity is noticeable bletely restore his health. healthy. Activity is noticeable in Miss Laura Sawers, of Brucefield, was shipping circles, and, besides domestic freight for export, considerable shipments are being made from the west.

Harvest operations in the west are now more general. Labor is more plentiful, several thousand hands having arrived from the east, but rains have caused delay in the work many sections and some fear as to the

At Pacific coast trade centers business has shown improvement this they ever saw. week. The jobbing trade is experiencing a good demand for fall and winter goods. Prices are firmly held. Business at interior points is improving. The outlook is premising. There is an increasing demand for turers are busy on contracts, and have, as a rule, no surplus stocks Labor is well employed and well paid. The British Members Arrive at the In London jobbing trade circles the

demand is very fair for this season. The farmers are busy with the har vest, however, and later on there will be more activity in retail trade and the sorting demand will improve Prices of staple goods are firm. Ottawa wholesale trade continues
