"RUSSIAN PIRACY"

The London Press Clamoring for Immediate Action

AS TO THE RED SEA SEIZURES

warded a Strongly-Worded Protest to St. Petersburg.

London, Wednesday, July 20.-Once again the leading English newspapers editorialize in the gravest tones or the Russian seizure of British vessels. Even the conservative Standard de-clares that the "nation looks to the foreign office to take more effectual action than the ordinary conventions f diplomatic intercourse prescribe The case is not one of fastidious treat-

sia has violated the treaty of Paris. The action of Earl Percy, under secretary of foreign affairs, who, in the ouse of Commons Monday, asked Laurie (Conservative and Unionist) to postpone until Thursday a question which he proposed to ask regarding the doings of the Russian olunteer fleet steamer St. Petersburg in the Red Sea, the paper regards as unnecessary and dilatory. "Palmerston," says the Post, significantly, would not have required half an hour to make up his mind what to do in

The Daily Telegraph admits that dangerous issues to international law have been raised by every circumstance of ostentatious provocation, and the nation must realize that a far-reaching question has arisen." All details in connection with the bitter feeling has been aroused in the of the discrepancy in favor of New/English press since the German Em- York, and pointed out that unchartering of vessels for the far east is practically at a standstill. From all sides come urgent demands that the

mantle, in the Daily Chronicle, says colonial hold that our safest course would be ping commission, which would prevent our merchantmen being interfered with by vessels which we cannot admit to be men-of-war, and to request that their proceedings be disavowed, and that they be immediately recalled to Russian ports after their prizes have been released." The Daily News says that the cabinet yesterday drew up a stronglyworded protest, which will be forwarded to St. Petersburg. The cabinet, the paper says, had an interchance of views with the admiralty and a programme of action in the case of eventualities was decided upon. It was decided also to protest to Turkey."

Wise Ways of Women.

STIRS ENGLAND No "prizes" offered with common soaps will long tempt the wise woman to use common soaps. The wise woman soon sees she has to pay dearly for "prizes" in the low quality of soap, in the damage common soaps do her clothes and her hands. The wise woman considers her health—so soon ruined if she were to continue breathing the steam of adulterated common soaps. The wise woman recognizes the difference between such soaps and Sunlight Scap-Octagon Bar.

DUNDONALD MUST STOP TALKING

to Avoid All Demonstrations.

The case is not one of fastidious treatment. If nothing is done officially to relieve the painful strain the irritation of this country may grow into stubborn resentment. We cannot, even for the sake of peace, sit down under a series of undisguisedly provocative measures."

A similar warlike tone pervades almost every other paper.

The Morning Post says that Great Britain cannot tolerate the seizure of the steamship Malacca "except by the abandonment of her self-respect as a great power." The paper declares that either the volunteer fleet steamer St. Petersburg is an armed pirate or Russia has violated the treaty of Paris.

The action of Earl Power under some

against it.

Lord Dundonald will leave Ottawa either on the 27th or 28th.

Montreal, July 18.—The indications are that the Montreal reception to Lord Dundonald, which will be held in the Windsor Hotel on July 28, will be a monster gathering. At the committee meeting held tonight reports showed that the greatest interest was being taken in the event, and that a monster turnout is likely. Peter Lyall, president of the Caledonian Society, will read an address, which Lord Dundonald will reply to.

FREIGHTS TO S. AFRICA

Earl Grey Says New York Is Getting All the Shipments.

London, July 20. - In the House of Lords yesterday afternoon Earl Grey, director of the British South African seizures of ships by the Russian vol-unteer fleet steamers are printed in British and United States freights to the most prominent type. No such South Africa. He complained bitteriy peror's telegram to the Boers. In- der the existing system the proportion ense apprehension prevails at Cardiff of manufactures to foodstuffs shipper and other British coal ports, and the from New York to South Africa was all sides come urgent demands that the Government take swift action to prevent a recurrence of seizures by the volunteer fleet. "Russian Piracy," as one paper heads it, takes precedence of all other news.
