

THE FREE TRIP TO EUROPE

The details of the "Trip to Europe" will be announced this week.

Already The Advertiser is besieged with requests for the particulars, and there is no doubt that when the contest opens it will prove to be one of the most exciting ever held in the city.

The opportunity for a trip such as this will be in-spiring, and comes but seldom.

Eight young ladies will be sent, at no expense whatever to themselves, on a trip that will be the envy of every person in Western Ontario.

The itinerary proposed embraces all the most important parts of England, Ireland and Scotland, as well as Paris, France.

The party will travel in the best, and no expense will be spared to make their trip the most pleasant possible.

While London has not been requested in the apportionment of the number from this city to make the trip, the districts round about this city have been given a splendid opportunity to send their most popular young ladies on a trip of a life time.

Already there are several ladies in the Western Peninsula who have announced their intentions of entering the contest.

Watch The Advertiser for the details of the trip. They will be made known very shortly, within a day or two, and will be most generous.

Keep this trip in mind. Tell your friends about it. No such offer has ever been made in Western Ontario.

The chance comes but once. Don't lose the opportunity.

REV. MR. WOODBURN IN EGERTON ST. CHURCH

Addressed the Woman's Missionary Circle Last Evening.

Rev. Arthur Woodburne, M.D., an East Indian mission on (fourth), who is at present residing at the missionary's home in Toronto, addressed the members of the Woman's Missionary Circle at the Egerton Street Baptist Church last evening, dealing with the necessities of the missionaries, and with his experience among the Telegus, where he was until a few months ago in charge of a district comprising over 200 villages, some of which he was unable to visit but once a year.

Dr. Woodburne was in the city for a time during the summer, and lectured at the Adelaide Street Baptist Church. At last night's meeting the speaker dealt at some length with the missionaries, and with his experience among the Telegus, where he was until a few months ago in charge of a district comprising over 200 villages, some of which he was unable to visit but once a year.

He stated that the medical missionary is doing much toward removing the natural prejudice of the people. In many cases it is practically impossible to do anything with the natives, if the missionary has no knowledge of medicine, whereas they will go to the hospitals, and come in contact with the missionaries, of their own volition.

Dr. Woodburne had charge of a district composed of over 200 villages, some of which he was unable to visit more frequently than once a year. He was the only white missionary in the district.

Dr. Woodburne states that the missionaries are watching the laymen's missionary movement with great interest, as it is hoped that the districts of such countries as India will be more thoroughly covered.

A PARTY IN HONOR OF ELLISON BUTCHER

At the Home of Mrs. J. Nash, 757 King Street East.

The home of Mr. J. Nash, 757 King street, was the scene of a very enjoyable party on Tuesday evening, given in honor of Mr. Ellison Butcher, who is leaving London shortly for Detroit. Mr. Butcher is head watchmaker in the east end branch of W. G. Young's store, and the staffs of both the downtown and east end stores were present at the party. The evening was spent in a social manner, and was brought to a close by a dainty supper. General regret was expressed at Mr. Butcher's departure, but all joined in the best wishes for his success in his new position.

KING ST. CHURCH REPORTS SATISFACTORY

First Session of the Annual Meeting Was Held Last Night.

The first session of the annual business meeting of the King Street Presbyterian Church was held last evening in the lecture room of the church, the pastor, Rev. James Rollins, occupying the chair.

ROSY AND PLUMP GOOD HEALTH FROM RIGHT FOOD

"It's not a new food to me," remarked a Virginia man, in speaking of Grape-Nuts.

"About twelve months ago my wife was in very bad health, could not keep anything on her stomach. The doctor recommended milk, half-water, but it was not sufficiently nourishing.

"A friend of mine told me one day to try Grape-Nuts and cream. The result was really marvellous. My wife soon regained her usual strength and today is as rosy and plump as when a girl of 16."

"These are plain facts, and nothing I could say in praise of Grape-Nuts would exaggerate in the least, the value of this great food."

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

ST. ANDREW'S IS PROSPERING

Preliminary Meeting of Members Held Last Night

A preliminary meeting of the members of St. Andrew's Church was held in the school room last evening and was well attended. With the exception of the report of the board of managers, which will be handed in at the annual meeting to be held on Wednesday evening, Jan. 29, all the reports were received and adopted, and indicate that on the whole the church has had a most prosperous year, and is in a very flourishing condition. Mr. R. A. Little, vice-president of the board, was in the chair.

The message from the session was read by Rev. Dr. Ross, and he gave a general outline of the work done during the year. From the standpoint of missionary giving, the members of St. Andrew's last year broke all previous records, raising a total of \$5,000. This is \$1,300 more than was raised the previous year, and is looked upon as a most satisfactory increase, due in a large measure to the efforts of the laymen's missionary movement. A full report of this work was presented by Mr. A. G. Calder.

Mrs. W. O. Carson, in presenting the report of the Women's Foreign Missionary Society, showed that at present it has 81 members. The amount raised during the year did not quite equal that of the previous year. The King's Messenger Foreign Mission Band, an auxiliary to the W. F. M. S., has 17 members, and during the year collected \$71. Its report was read by Miss Eliza Douglas.

The Outlook Mission Band, the members of which are small children, raised \$141. It has 51 members.

Mrs. C. A. Whitman presented the report of the John Scott Woman's Home Missionary Society, which has 56 members and collected \$185.

Sunday School Report.

In the absence of Mr. S. Macgregor, superintendent of the Sunday school, the report was read by Mrs. Alex. Fraser. The absence of pupils during the summer holidays caused a decrease in the average attendance. A new Sunday school library is being contemplated. During the year, the Sunday school collected \$476.

The report of the Pastor's Aid Society, which administers the benevolent fund, was read by Mrs. W. J. Carson, and it showed that during the year \$265 was administered.

The men's Bible class now has 42 members on its roll with an average attendance of 29. In the three months it has been formed \$28 has been collected. At present the members are studying the life of Christ. This report was presented by Mr. H. A. Graninger, B. A., president of the society.

The report of the choir indicated that everything is in splendid shape. The services of praise held during the year were largely attended.

During the year the Ladies' Aid Society collected \$141.

These reports were a source of much gratification to all the members, and show that the church is growing steadily.

TRAIN WRECKED NEAR GUELPH

Guelph, Ont., Jan. 14.—The last coach on train No. 44, going south, at 11 o'clock this morning, jumped the track near Mourock and ran into the bank. A number of passengers were badly hurt. Names are unavailable as yet, except that of Alex. Stewart, a druggist, of this place, who is reported as badly injured.

MAN AND WIFE ON INDIAN LIST

Inspector Galpin has issued a Revised List of the Red Fraternity.

Inspector Galpin issued a revised issue of the Indian list this morning, and there are at present on it 158 persons. The list includes persons of every walk in life.

A new feature since the last list was issued is that a man and wife have been placed on it.

It is not often that both a man and his wife are worshippers at the shrine of Bacchus, but a case has been found where both are, and both are now forbidden under penalty of a heavy fine to indulge in vinous stimulants, or chase the jolly bowl about.

A FULL STAFF ON FULL TIME

London's Leading Industry at High Pressure—Col. Gathshore Likes the Outlook.

"The outlook for 1909 is most encouraging, so far as our business is concerned," said Col. Gathshore, manager of McCleary's, in reply to a question put by The Advertiser today.

"In our foundry," he added, "the full staff of 450 men has been at work on full time since the first of January. Conditions were never better in the stove industry."

HEAD OFFICE OF BIG INSURANCE CO.

Prudential is Said To Be About to Establish Headquarters Here.

It is stated that the Prudential Life Insurance Company will establish their head office here in this city.

A representative of the company was in the city looking the ground over, and from what can be learned, he was most favorably impressed with the location.

A considerable staff of employees would be engaged, and it would mean not an inconsiderable addition to the population of the city.

PRESCRIPTION PROTECTION

We throw every safeguard around the dispensing of prescriptions.

Our care begins with the selection of superior drugs, and continues until these drugs are compounded for you. In filling prescriptions the work of each pharmacist is checked by another—a double and perhaps unnecessary precaution against error. There are other precautions taken that cannot be detailed here. The end we seek is perfect service, and many physicians believe we have reached it.

These special features cost us something, but cost you nothing.

LETTER CAUSED OFFICIALS TROUBLE

Business Man Blamed the Department When He Himself Was to Blame.

The postoffice officials were put to a great deal of trouble this week through a letter that was misdirected. A well known business man had a letter of some importance that he wished to send to Port Stanley. He posted it, and when in the course of a day or two he had no reply, reported to the postoffice that it had not been delivered, and a tracer was at once put after the letter.

No track of it could be found, and the man was more or less lost in his blame of the postoffice carelessness. Nothing was heard of the matter again until yesterday when the business man came and apologized to the postoffice officials, and showed them the original envelope, in which he had addressed his communication to a Toronto firm.

The letter had gone there and was duly returned as soon as the mistake was discovered.

BAIL WAS REFUSED AGAIN FOR WESTMAN

Man Accused of Assaulting Policeman Was Remanded for Trial.

Charles Westman, charged with assaulting police officers, Robinson and MacRae, recently appeared before Magistrate Love this morning, and was remanded until Jan. 29 for a hearing.

Mr. H. M. Graydon, who appeared for Westman, made a strong plea for bail. "I cannot allow bail in this case," said the court. "Had Westman given himself up, I might, but the general rule is likely to do so again."

"It may be some time before this case is tried," said Mr. Graydon, "and we may want to ask for bail later."

"Bail is absolutely refused," said Magistrate Love, "for the time being."
