RATEPAYERS:

Ten Convincing Reasons Why
You Should Vote for the Grobb
Manufacturing Co. Bylaw

1. Bylaw authorizes city to loan \$25,000 to establish a New Industry in London.
2. Loan To Be Repaid in 25 equal, annual, consecutive Pay-ments, with Interest.
3. Security of Loan is assured by first mortgage on new buildings, equipment and land to value of \$50,000.
4. Rate of Interest is exactly same as city borrows at.
5. Taxes will be reduced—by increasing amount of assessable property; also by increasing tax-paying population.
6. The Company Guarantees to employ a minimum of 110 skilled hands—and will pay an average of \$2.27 per man per day.
7. This means \$100,000.00 per year spent in London in wages and salaries, to feed, clothe and house the men and their families.
8. This \$100,000.00 goes to grocer, butcher, clothier, landlord, amusements, banks, and everyone in London benefits thereby.
9. The Company will expend in London \$40,000.00 per year for material and supplies.
10. The high rate of wages guarantees that this will be a white man's shop.

A VOTE FOR THE GROBB BYLAW MEANS A VOTE FOR A
PROGRESSIVE LONDON.

TWO TORONTO GIRLS
MYSTERIOUSLY VANISH

Police Looking for Two Sisters,
Aged 16 and 14 Who Disappear-
ed on December 20th.

[Special to The Advertiser.]
Toronto, Dec. 20.—Shortly after 9
o'clock on Saturday morning, Dec. 20,
Josephine Carpenter, 14 years old, daugh-
ter of Mr. and Mrs. Norman H. Carpen-
ter, 533 Delaware avenue, started off for
her place of employment. She never
reached there, and has not been seen
heard of by her mother since. About
11:30 on the same morning Josephine's
sister Bessie, 16 years old, left the house
with the avowed intention of securing
some clothes which she had left in a
Church street boarding-house. She also
has disappeared completely. The case
has been placed in the hands of the
police, and they are now working on it.
