#### End Peaceful After **Hours of Suffering**

ROME, Jan. 22.-The death of His Holiness Pope Benedict XV. was of ficially announced to the world by Monsignor Pizzardo, deputy papa secretary of state, early today.

A peaceful end came after many hours of intense agony and suffering the pontiff now and then lapsing into delirium as death approached.

Early Saturday breathing became a tragic, agonizing task, as the supreme pontiff, who had resisted the severe lung and throat congestion, became too weak to overcome the byerwhelming attack any longer.

His eyes were half-closed as he lapsed into unconsciousness while the terrible mastery which pneumonia had won over the holy father's dogged resistance, a resistance which staggered the members of the pontifical household and made them mar vel at the pope's nerve stamina, nov began its rapid, inexorable extinc-tion of his slender hold on life.
