"God Save the Queen."
Accidentally Killed His Son.

A shocking assident browned on the Wenes on Wednesday, caused by the earoless handing of firearms, and while resulted in the shooting and killing of a son by his father. At Effect, and killing of a son by his father. At Effect, and killing of a son by his father. At Effect, a ranger on the Wenes, between the shooting the and took it home. While Mr. Bitter was explaining its working to his wife the cartridge in the gun was exploded in some way but except being somewhat startled for a moment fir and Mr. Bitter et al some may but except being somewhat startled for a moment fir and Mr. Bitter et like oakern until their attempted to those the course of the ball. A two-year did only as sleeping on the bed in the room where the explession took place, and the fact that no movement was perceptible from him causes the parents to hurry to his bedside, where it was found that the ball had entered the body at the left grein and ranged through his frame, coming out at the breast and again entering at the sign, lodging in the top of the lead, and causing instantaneous death. The Mr. Bitter is to be consured for his laid of caution and his carelessness, the grief of himself sint with says as general feeling of sympathy in their great sorrow. Yakima Signal.

What Some People Say.

That an editor in Ohio thus describes the warm weather in his diggings: "A small negro boy injudiciously leaned up against the sumy side of the house yesterday and fell saleep. In a few minutes he began to soften and in a quarter of an hour he ran all over the yard. His mother dipped him up in a wantiub."

That the latest solitical "feet" weasth.

other of the constant interest the second of the communication has andered the second of the communication and the information conveyed by those who scribe from Vancouver is very light and very yard. The actual number of bodies as yet resoured is as indefinite as ever and the full number of lives lost is at present, and probably always will be greatly a matter of peculiar in that in spite of the number of persons who sought safety in or on the water, none were drowned. Councillor Balfour, who came down yeardray, mantiom a seport that what were supposed to be the hamman semanias of two more bodies and bean alsowered in the ruins. One of the yielims of the configuration was fine allowed and will rust as were in the ruins. One of the yielims of the configuration was made to be not be also been to be sent to the proposition of the yielims of the configuration was fine like the agare we originally named about the following for their relief go on with unabated vigor. On Sanday next the collection taken up in all of the churches of this city will be devoted to the sunfacers.

Policy Royal the losses will foot up sometime to be sent to them, and measures for their relief go on with unabated vigor. On Sanday next the collection taken up in all of the churches of this city will be devoted to the sunfacers.

Policy Royal relations of the sunfacers and the relief of the sunfacers and the relief of the sunfacers.

Policy Royal the losses and the relief of the proposition when the relief of the sunfacers and the relief of the sunfacers.

Policy Royal the losses are such to promise the relief of the sunfacers and the relief of the sunfacers.

80,000 travelers is to give \$1 a year for the next three years to such an institution. This will make a total of \$240,000, and from this we will buy a farm in Kentucky, or some other good locality, and erect comfortable buildings, with reading-rooms, parlors and chambers, so that the occupants can have all the comforts of life during their declining years. We will further endow the home by a year or two more ne "II I had published a statement in opposition to the court doctors, I should have shared the fate of certain other persons, and been at least consigned to prison. My opinion as to the King's condition is based on my experience as his physician since his birth. My colleague, Dr. Ginti, agrees with me."

DELAYED DISPATCHES.

EASTERN STATES New York, June 16. - W. B. Thou on, the young bridegroom who killed his wife at the Sturtewant House yes-terday and fired four bullets into his terday and fired four bullets into his own body, did not die during the night. At noon to day he was resting quietly under the influence of morphine, after an undisturbed night. He had deceived his bride as to his means and was

tee, was severely injured by the ex-plesion and left a trail of blood through the town which was plainly visible to-day. A warrant has been issued for his
