nations of the world they seem to occupy the lowest rank. The development of any South American republic is not for a moment to be compared with that of the United States. Spaniards and Portuguese do not possess the capacity for self-government that men of the Anglo-Saxon race have in such an eminent degree. It will be interesting to watch how the Brazilians will use their new forms and save full control of the Federal will be interested in the Territories.

The Assembly had nothing to say out against the Advisory Council. They stand a stand on the principle we have indicated. The Council resigned but the Augustian will use their new forms and the first standard in the Territories. the country settles down and its govern-

A BLOODLESS REVOLUTION.

History is being made in Brazil. A revolution has taken place there which may have a very great influence on the future of its inhabitants. The change from monarchy to republicanism appears to have been very quietly effected in that country. The people must have been prepared for the change. According the collective opinion of men whose aim is to do their best to enlighten the public, and that the author remaining unknown is not tempted to assert his individuality.
