

SPECIAL TWO DAYS' SALE IN STATIONERY DEPARTMENT

For some time back the state of the money market has been such that we have been able to buy under the most favorable conditions. Consequently we bought quite heavily, as the prices were considerably better than we can usually get. Therefore we find our stock in this department a little heavy, and for Friday and Saturday we will have a Stock Reduction Sale. We will offer values that will insure a speedy clearance of many lines and provide bargains for all who take advantage of this opportunity. For these two days we will sell Stationery, Soaps, Books, etc., at very moderate and attractive prices.
