busy we are in the department of our factory in
which the particular goods are made. While
we have exceptional facilities for promptly

SHUT OUT GAME AT THE BALL YARD

I. C. R. Trim the Strong Going
Mechanics by 5 to 0 on Mon-
day Night

SOME GAMES

The encounter at the Ball yard
on Monday evening between the I.
C. R. and Mechanics was productive
of the surprise of the season, the
I. C. R. getting into a winning
stride putting it over the Mechanics
at the time of 5 to nil. The game
was umpired by J. A. O'Keefe, and
the brand of ball served was up to a
high standard. Shirley received
better support than did Shaddick
and the luck was all on the side of
railway boys. Everything they
tried came off, the reverse being the
case on the Mechanics side, a close
decision at the plate in the fifth
robbed them of the only chance
they had of a run.

Box score will be given next week.

I. C. R. & Firemen

Public excitement was aroused
after the victory of the I. C. R.
over Mechanics on Monday evening
and a fair sized audience turned out
on Wednesday to view the encounter
between the above teams. A good-
ly number of ladies graced the stand
and, among other prominent mag-
nates were noticed the Fire chief
and two of the local pill dispensers.
The presence of the worthy pre-
sident of the league was missed from
his accustomed place, but not ap-
parently having the necessary dough
(ie one nickel) to put it over the
Horatius who guards the stand en-
trance was accommodated with a
seat in the right by our illustrious Fire
chief foresaid who no doubt was
feeling magnanimous toward all
mankind after the recent happy
event for which he will please ac-
cept the somewhat tardy but better-
late-than-never felicitations of all
the faithful fans, suffragettes and
the Graphic reporters.

(Loud applause from the gallery)
The railway boys took the field
the firemen batting first. Shirley
did not immediately find his stride
and walked three men in the first
innings. Running into catch Roy
at the plate he was knocked on the
head but resumed operations after
being attended to by a local medical
practitioner. Three runs came ac-
ross and two men left on bases.

The game slowed down a bit, but
the third innings was a thriller.
For the I. C. R. Malcom as on a
previous occasion started the fun
with a nice bunt which nobody
seemed anxious to get after, and
making the circuit with beautiful
action arrived at the plate without
having turned a hair, to be followed
soon after by three of his team
mates. Costly errors by the Fire-
men led to the disaster and when
the smoke had cleared away the
score stood 4 to 3 in favour of the
I. C. R. An error by Lavoie in the
fifth started Woods on his way who
managed to get around in time to
tie the score. The I. C. R. with two
out and two on bases were in a fair
way to get there with the goods (ie
to secure the winning run) but as
on a previous occasion already
mentioned at great expense, "the
shades of night were falling fast"
and Lavoie was observed emerging
from the gloom followed by the sten-
torian tones of the umpire calling
"Batter out." Details collected re-
gardless of cost as follows.

Score: 1 2 3 4 5 Total
I. C. R. 0 0 4 0 0 4
Firemen 3 0 0 0 1 4

MASONIC ORDER IN CHURCH PARADE

Interesting Service in St. An-
drew's Pres. Church on
Sunday Last.

GOOD TURNOUT

Last Sunday evening the brethren
of Campbellton Lodge and visitors
held their church parade and ser-
vice. Between forty and fifty mem-
bers of the order assembled in the
lodge rooms and forming in process-
ion marched from the hall round
Andrew street and Rosebury street
to St. Andrew's church where the
Chaplain of the lodge Bro. Rev. T.
P. Drumm preached an eloquent
sermon from the text "The abiding
foundations." He said that the
foundation principles of Masonry
were love of the Deity and love of
the brethren, as shown in the two
commandments "Thou shalt love
the Lord thy God" and "Thou shalt
love thy neighbor as thyself." In
the conclusion of a stirring sermon
the rev. gentleman said "Prethren
let us display the masonic virtues
everywhere at home and abroad, let
us speak the word of appreciation;
extend the hand of welcome where-
ever and whenever we get the oppor-
tunity. Let the world see that your
masonry is ennobling your character
and they will have something of the
admiration for our great order that
you possess and thereby it will grow
in that true greatness founded on
the rock of righteousness and shall
occupy a high place in the esteem of
the world.

As Masons let us not withhold
the affection we ought to express.
Let us love truth and righteousness
because they are truth and
righteousness and not for any ad-
vantage the devotion to them may
bring us. Let us pray God to in-
crease our knowledge of Himself
and our love to the brethren.

These are the foundations of our
order, the foundations of all holy
living, the foundations which will
last through time unto eternity."

The musical part of the service
was sustained by an augmented
choir under the leadership of the
organist of the church Bro. John G.
MacColl and the singing was es-
pecially hearty and inspiring. At
the opening of the service the choir
sang the Recitative and chorus from
Hudyn's Creation "And the Spirit
of God moved on the face of the
waters" and during the offertory
Clark Whitfield's Masonic Anthem
"Behold how good and joyful" was
rendered. The church was crowded
with worshippers who followed the
service with deep interest. At the
close of the service the brethren
remained while the organist played
the "Hallelujah Chorus" from the
Messiah, afterward reforming and
proceeding to the lodge room,
where the lodge was closed.

THE REVELATIONS IN MURDER CASE

High Public Officials Said to
be Involved.

New York, Aug. 8.—Cumulative
evidence piling up before the grand
jury investigating police blackmail
is said today to involve four or five
high officials and that indictments
will soon be drawn. Witnesses
examined by District Attorney
Whitman have furnished much cor-
roboration to the confession of
"Bald Jack" Rose, who gave a list
of names of gamblers upon whom he
charged Police Lieut. Becker levied
blackmail.

The several gamblers were before
the public prosecutor, and unwilling-
ly admitted that they had paid
blackmail to certain inspectors. One
of the witnesses told Mr. Whitman
that he had been threatened with
death if he went before the grand
jury and gave information about the
police. These witnesses said that
these inspectors deal direct with the
gamblers, leaving Lieut. Becker to
deal with the small places.

The District Attorney said today
that evidence would be presented to
the grand jury against several police
inspectors. One of these inspectors
is said to have kept such close
watch on the gambling houses that
he even examined their books and
made them pay blackmail according
to their profits.

Bridgie Webber now admits that
he also collected toll from certain
uptown gambling houses for a police
inspector. Webber's life has been
threatened, and District Attorney
Whitman has provided him with a
special guard.

"Bald Jack" Rose has sent word
to the public prosecutor that he is
prepared to identify the four mur-
derers of Rosenthal. Until now
Rose was not ready to say that he
could positively identify the gunmen.
