We do not ask you to encourage
home industry,—we ask you to see
the quality of goods we manufacture
and get our quotations. Goods man-
ufactured by us are considered High
Grade in the leading cities of Canada.
Foreign woods imported direct from
the south.

MAIL ORDERS

We solicit out of town orders which
receive our personal attention. The
length of time taken to fill orders is
governed very largely by how busy we
are in the department of our factory
in which the particular goods are
made. While we have exceptional
facilities for promptly turning out
goods, it is important to place orders
as far ahead as possible. Orders are
filled by us in the rotation in which
they are received, and customers can
always depend on our doing everything
in reason to give prompt despatch.

OUR OFFICE IS CONNECTED WITH THE N. B. TELEPHONE BY TWO SE-
PARATE LINES INSURING PROMPT ATTENDANCE.
OFFICE HOURS—7 A. M. TO 6 P. M.

ROOM FOR MORE

AUTO CANDIDATES

Some Districts Not Yet Repre-
sented in List of Candidates
in Graphic Contest

Additional names have been received
this week in the Graphic's Auto
Contest, but there are room for more.
Bathurst and Dalhousie are yet to
put candidates in the field, and Gaspe
County is backward in nominating her
citizens to uphold her rights.

On page 8 of this issue there ap-
pears an announcement which takes
the Town of Campbellton out of the
Graphic's Auto Contest, and we ex-
pect to be able to make another an-
nouncement of interest to our con-
testants in a week or two.

As some contestants are already at
work you should make up your mind
to enter at once. The list of entries
will not be published for a week or
two, but there is nothing to prevent
you getting right to work.

Get your friends pledged to help you
before some one else has secured
their promise.

The Contest Editor will supply you
with lists of subscribers of any district
you wish to work, and will gladly do
everything possible to assist you.

This contest is being run strictly on
the square and those doing the most
work will win out.

Get busy and be the winner of the
Graphic's Auto Contest.

The auto is now on exhibition at the
Lounsbury Company's show rooms and
is being much admired. This year's
Ford is a dandy.

COUNTY COURT AT

DALHOUSIE TUESDAY

Angus Dugay Who Escaped
From Jail is Sentenced to Four
Years in Penitentiary

Dalhousie, N. B., March 24.—The
Restigouche County Court is in ses-
sion here this week, and today Judge
McLachy sentenced Angus Dugay,
of Campbellton, to four years in Dor-
chester penitentiary for helping in the
removal of stolen goods when Dun-
can's store was broken into and robbed
at Campbellton last year.

Dugay, who was arrested at the
time and sent up for trial, escaped
from the county jail early last sum-
mer, getting out by the hot air regis-
ter. He was recaptured a few days
ago. At the opening of court today
he confessed his guilt. He is only
eighteen years of age, has been before
the court before, and ran away from
the St. John Reformatory.

TRAGIC DEATH AT

RUNNYMEDE VILLAGE

John Lodge is Struck By a Rap-
idly Revolving Saw And In-
stantly Killed

Matapedia, P. Q., March 23rd 1914.
The residents of our quiet little vil-
lage as well as of the whole surround-
ing country were horribly shocked to
learn of the sudden and tragic death
of Mr. John Lodge, which occurred at
his home at Runnymede this after-
noon. He with three other men were
engaged in the clearing of a large
piece of land, and were using a gaso-
line engine, when, from some cause,
the saw, while revolving at a
high rate of speed, suddenly broke
loose from the driving machinery and
carrying with it parts of the connect-
ing rod and the balance wheel, wheel
landed with full force on John's body,
causing instant death.

The news of the sad event spread
like wild fire throughout the whole
community and willing hands and kind
neighbours did all in their power to
alleviate the mental agony of the be-
raved and grief stricken parents and
members of his family.

John was 23 years of age, the eldest
son of Mr. and Mrs. Edmund Lodge.
He leaves behind him a wife and three
children, besides his parents, one brother,
Robert, and three sisters, Mrs. Pearl
E. Chaytor of Vancouver, B. C., and
Maud and Gertrude at home. The de-
ceased was widely known and highly
respected and beloved by all classes
of citizens for his kind and genial dis-
position and will be greatly missed,
not only by his immediate family but
by all who had the privilege of his
acquaintance.

The funeral which took place on
Wednesday afternoon was the largest
ever witnessed in this community,
quite a number coming from Camp-
bellton, and other neighbouring places
to pay their last tribute of respect
to the memory of their young friend.
Upwards of 135 teams followed the
casket to their last resting place in
the Matapedia Cemetery. Rev. T. F.
Drummond officiated both at the house
and at the grave.

The grief-stricken family have the
deepest sympathy of the whole com-
munity in their sad and sudden be-
sement.

MEETING OF TOWN

COUNCIL TUESDAY

Road Making Machinery Will
Not Be Bought This Year—
Other Business

The Town Council met on Tuesday
evening in the Council Chambers, His
Worship Mayor Andrew presiding.
There were present Councillors Alex-
ander, Pinault, Lunan, White, Miller,
Ferguson and Quinn.

The minutes of the previous meeting
were read and confirmed.

Communication read from F. M.
Potts, St. John, secretary of Tax Re-
form League, regarding making ar-
rangements to have a lecture from J.
R. Brown on Tax Reform. The cost
would be \$15.00. It was agreed to ask
Mr. Brown to lecture provided suitable
accommodation could be secured, the
Assembly Hall of the school being
mentioned.

Communication read from Ed. Shir-
ley, with regard to remission of taxes
of H. C. Shirley and referred to As-
sessment and Appeals Committee.

The following reports of committees
recommending payment of accounts
were received and adopted.

Water and Sewerage	\$128.84
Police and License	18.75
Fire Protection	112.47
Electric Light	180.98
Finance	77.85

Under unfinished business the re-
port of the Fire Protection Committee
held over from last meeting was again
taken up. Councillor Ferguson stated
that he had no further information to
give than what was embodied in the
report. Councillor Miller was infor-
med that the schedule of rates covered
all payments to the brigade and there
would be no extras. Councillor Lunan
thought the report a reasonable one,
and it was unfair to expect the men
to turn out to fight fires without any
remuneration. Apart from that, it was
better for us from the insurance com-
panies standpoint to have a paid fire
brigade. After further remarks the
report setting forth the schedule of
rates to be paid was adopted,—the re-
sulting payment to come into effect at
the annual general meeting of the
council held on the first Tuesday in
May.

Councillor Pinault brought up the
matter of road making machinery.
He said this had been before the
council now for a long time and
thought the council should now place
themselves on record either for or
against the proposition. The first cost
of the stone crusher and roller would
be \$2000, which would be payable this
year. In answers to questions, Coun-
cillor Pinault said that both Chatham
and Newcastle had stone crushers, but
no rollers. There was little could be
done on the streets now, as at present
they were two feet too high, and in-
stead of putting more on they would
require some taken off. He favored
the construction of macadamised
roads, as the concrete construction was
too expensive and he presented copies
of the findings of the Road Commis-
sion in Quebec, showing the results of
macadam roads in that province.

Councillor Lunan said in his opin-
ion the Macadam road was best for
our climate, but the real question be-
fore them was, could they afford it.
Councillor Miller thought we should
leave it over for this year. Let them
get all the information they could and
keep the matter before them, but they
did not want to experiment and if
they could hold off for a little while,
so much the better, as their means
were limited. He would like to hear
the views of the other Councillors
there present. Councillor Pinault said
that they did not require any further
information, as they had all the data
required, and asked that the Council
do something in the matter. After
some desultory discussion the matter
was dropped.

The renting of the stores in the town
building was left in the hands of the
Public Property and Streets Commit-
tee, who, it was understood had prob-
able tenants in view.

Under new business, Councillor
White stated that the first payment on
the new gas producer was now due ac-
cording to the terms of the contract and
the Treasurer was authorized to make the
payment of \$2500.

An interesting discussion then en-
sued with regard to the recent offer to
the G. N. Telegraph Co. to give elec-
tric power to them on a flat basis of
\$30 per horse power per annum. This
it was pointed out, was in direct con-
tradiction to the established prices for
electric power, and could be construed
to mean discrimination against other
users of power in the town. On mo-
tion the Town Clerk was authorized
to write the Telegraph Co. with draw-
ing the offer, so that if they desire to
use electric current for power they
must come in under the same condi-
tions as are applied to all other us-
ers of electric power.

Council then adjourned.

CAMPBELLTON VICS

STILL THE TOP DOG

In Series of Games With Am-
herst Come Out With One
Win and Two Draws

The second half of the contest be-
tween the above teams took place at
the skating rink last Thursday even-
ing before a fair audience. In many
respects the game resembled that of
the previous evening, a remarkable
fact being that in each of the games
the score was tied at the end of the
three periods. On Thursday evening
the teams played six men a side. A
little feeling began to crop up towards
the finish though up to that time play
was remarkably clean.

The line-up was as follows:—

Amherst	Campbellton
Hill	Goal
Twaddle	Point
J. Chisholm	Cover
Lowther	Centre
Black	R. Wing
L. McLean	L. Wing
E. McLean	McLachy
W. Chisholm	Spare
Goal judges—Bob Bell, W. Copnell.	
Time keepers—T. Carrigan, J. Mat- thews.	

Penalty judge—Geo. Wallace.

Referee—F. J. T. McDonald.

The first goal came from Amherst,
during the absence of three players,
one of the Amherst and two of the
Vics, L. McLean beating the Vics tend-
er during an attack. Before the end
of the period Bellevue, after a com-
bination run with Fowler tied the
score.

Lowther in the second period, again
put Amherst ahead and just before
the end of the period, Matthews netted
the equalizer.

The last period was of an exciting
nature. Both teams were bent on get-
ting the decision and feeling began to
crop in between the players. Black
put his side ahead, and the equalizer
came from Bellevue, after a mix-up
in the Amherst goal just on the call
of time.

Penalties—Matthews, 9, Brown 3,
Fraser, 3, Chisholm, 6, Lowther, 3,
Watling 11, Fowler 3, McLean 3, Bel-
levue 6, Hill 3.

After the previous two games and
with victory still an open question, the
Amherst boys decided to stay over an-
other night and have it out to a finish.
The line-up for this game was the
same as for the previous, each team
with six men on the ice. The weather
had undergone a decided change and a
good hard frost of ice was the result.
Referee McDonald was assisted in this
game by Geo. Myles who acted as
judge of play.

Play was of an even and end to end
nature, both goals being visited in
time. The first tally came as the re-
sult of a combination play with Pow-
er and Matthews, and latter having
the honor. It was a good piece of
work but it was eclipsed by the equal-
izer which came shortly after. Veter-
an Twaddle got possession near his
own goal and wriggling his way up
through all opposition, put the teams
on equal terms once more.

Amherst took up the running right
from the face off after the interval.
Black and Lowther bore down on Mc-
Lean and Lowther scored. Not to be
overdone the Vics settled down to ser-
ious business and nice work between
Fraser and Fowler led to the centre
once more putting the teams on an
equal footing. The game continued of
an end to end nature for a spell, Bel-
levue to experiment and if view. Bel-
levue and Fowler worked in a pass from
Matthews, Fowler put his side ahead.
The period ended with no change in
the score.

The Vics started the pressure work
at the commencement of the last pe-
riod, but the Amherst team soon re-
turned to McLean's quarters. Watling
relieved the pressure and Matthews,
getting possession took the play to
the visitors end. A shot from well out
glanced off Hill's pads and into the
net putting the Vics two ahead. Bent
on reducing the score, Amherst
besieged McLean's territory and
Lowther getting a pass from E. Mc-
Lean was successful in tallying. For
a while Amherst continued to press,
and McLean was called on repeatedly
to show his powers. With only one
point between the teams the result
was yet in doubt till Fraser with three
minutes to go again put the Vics two
ahead, a shot from wall finding its
way into the net. Both goals were
attacked in succession but no further
scoring ensued. A little feeling began
to crop in toward the end of the game
which finished with three men in the
penalty box.

Penalties—Chisholm 8, Fraser 3,
Bellevue 6, Lowther 10, Matthews 2,
Twaddle 3.

Time keepers—Tom Carrigan, Fred
MacLachy.

Penalty keepers—J. W. Dufour, W.
H. Luke.

Goal judges—Bob Bell, Jim Moores.

Referee—F. J. T. McDonald.

Judge of play—Geo. Myles.

LOCAL MERCHANTS

MAKE GENEROUS OFFER

Plan to Stimulate Buying in
Campbellton.—Prizes to Be
Awarded

An unusual and most generous an-
nouncement is made on page three of
this issue which every reader of the
Graphic should read and study.

Fourteen business men of Campbel-
ton have clubbed together and will
give away absolutely free, a Model T,
5 passenger Ford Auto, and \$75.00 in
gold.

What for?
Simply to encourage you to trade
at their stores, and induce outside
shoppers to come to Campbellton.

The announcement explains itself
so we will not enlarge upon it.

We wish only to state that this
contest is being conducted by the mer-
chants mentioned in the announce-
ment, and they will control it, and it
will be run as fairly and impartially
as it is possible to run such a contest.
Read the rules carefully. These
have been the subject of much study
and appear to cover all points, out if
anything has been forgotten which
will add to their impartiality we would
ask our readers to advise us when the
matter will be laid before the commit-
tee in charge.

This contest is to be run on business
principles, by business men, and it is
bound to be on the square.

There will be no double days, but
accounts dated previous to February
1st, 1914 will be allowed double votes
if paid during the contest.

Now make up your minds to enter.
The nomination cards will be at each
of the places of business of the partic-
ipants on Wednesday, April 1st.

It costs nothing to enter this con-
test and the prizes are worth working
for.

NEW RATE ADOPTED

Home Circles Unanimously Adopted
Hunter Scale

The Canadian Order of Home Cir-
cles closed their annual session last
week in Toronto, and after much dis-
cussion, agreed to adopt the Govern-
ment standard of rates.

The members who were opposed to
the increased rates were holding pri-
vate sessions among themselves dur-
ing the day, and finally were prevail-
ed upon to recognize that the only way
to save the order from financial diffi-
culties was to agree to the constitu-
tional amendment. Accordingly the
proposal to raise the rates was carried
unanimously.

This was the only business which
was discussed and Mrs. Alex. McLean
narrated who attended the sessions as a
delegate from this district, stated that
the new rates would go into effect on
May 1st.

UNNECESSARY NEWS ITEMS

We would kindly ask our corres-
pondents to eliminate all mention of
Mr. So-and-so spending Sunday even-
ing with Miss So-and-so. We know it
is customary for most young men to
spend the evenings with their lady
friends, but there is always a possi-
bility that the case may not be true. We
wish to advise our correspondents
that The Graphic will use its own dis-
cretion in the publishing of news sent
in, and furthermore no chances will be
taken, even under signature of writer.

ATHOL UNION CHURCH

The Athol Union church will be de-
dicated next Sunday, March 29th, at
3.30 o'clock. Interesting services will
be conducted at which it is expected
the four Campbellton clergymen will
take part. All are invited. Rev. J.
E. Purdie will give the address.

WANTED

General girl. Apply to
MRS. FAIRBANKS.

Cheap WALL PAPERS
need not necessarily be
unattractive

On the other hand expen-
sive WALL PAPERS are
not always beautiful

THE prominent feature
of our New Wall
Papers is that our selection
of the cheapest patterns as
well as the goods of higher
value ALL possess an art-
istic and pleasing effect
which goes far to make the
home a beauty spot.

Be sure you see them. You
will agree with us.

EASTER

Easter heralds the joyful awakening of Spring.
Everybody and everything wakes up.
The grass begins to grow; nothing stands still.
After forty days and forty nights retirement
the "Tango" will once more emerge with the addition
of a small trifle like a hundred new steps.
The "Tango" is new; that is why it is popular.
Popular demand insists on something different
all the time.

To CATCH The Public Fancy it
MUST BE NEW.

NOW

Getting down to brass tacks, that is where we
fit in. We've always got something new in Men's
Wear to show you, something you will like and want
to wear.

Easter Neckwear that is different in Parisian
Novelties, Printed, Faille, Foulard Spots and
Bengalines .50 and .75
