A GREAT CHANCE

In view of our compulsory and immediate removal from our present premises, we have determined to dispose the whole of our stock at less than cost price, thereby giving the ladies of Toronto an opportunity of procuring suitable Christmas Presents at such low figures as have never before been offered in our line of business. The stock is full and complete in every department of House-Furnishings; goods in all the latest and most modern ideas, as well as in antique novelties. The Brass Goods in FENDERS, FIRE IRONS, ANDIRONS, COAL SCUTTLES, ETC., are marvels of workmanship and elegance and are the latest importations. Every other article at the same reduction. Remember this is a compulsory sale and we are obliged to dispose of them at those figures rather than remove them.
