RHEUMATISM

It is a well-known fact that medical science has utterly failed to afford relief in rheumatic cases. We venture the assertion that although electricity has only been in use as a remedial agent for a few years, it has cured more cases of Rheumatism than all other means combined. Some of our leading physicians, recognizing this fact, are availing themselves of this most potent of nature's forces.

NERVOUS DISEASES

Thousands of people suffer from a variety of nervous diseases, such as Neuralgia, Hysteria, Loss of Memory, etc., that the old modes of treatment, usually, serve for or power, impart tone and vigor to the system, and restore to healthy action the whole nervous system. It will organize and restore the system, Rheumatism, Sciatica, Kidney Disease, Lumbago and Loos Back and Dyspepsia.

CAN BE CURED WITHOUT MEDICINE

Electricity, as applied by the Owen Electric Belt and Serrator, will most assuredly do so. It is the only known force or power that can be applied to the system, and restore to healthy action the whole nervous system. It will organize and restore the system, Rheumatism, Sciatica, Kidney Disease, Lumbago and Loos Back and Dyspepsia.
