It is understood that the object of the Islanders was to prevent the erection of a bresstwork, and to desiroy a building epposite the
Island, in which a company of Black troops
had been quartered some days past.

It was reported and pretty generally believeed gesterday that an attack was to be made
upon the Island immediately from Chippewa
by McNab and his relunteests, who atriged
there in sleights the day ghefore. The force
now at Chippewa it is pretty generally comceded is over two thousand men, and it is
said from 100 to 200 Indians from Grand River ere also there. The troops are generally
well armed with muskets. Our informant

THE HORSE.

The precent Harres Skying, as well as how to be sufficient to Sure them of this Disagreeable and Dangerous Vice.

The care for shying horses where the eyes as pool, and it is only a babli taught be been sufficient to be sufficient to suf

ments of the Battalions which you respectively command.

With very few exceptions, and these doubtless occasioned by unavoidable circumstances, the universal feeling of the Militia of this Province has been declared to me in most unequivocal and gratifying terms; I feel myself accordingly at the head of a body ready to make all sacrifices in support too the Queen's authority and for the preservation of the blessings of the British Constitution.

I thank you, Gentlemen, for the expression of your favourable opinion as respects myself, and I can assure you in reply, that I can desire no more gallant associates in any service, however arducus than the Militia of New Brunswick.

Government Heuse, Fredericton, Dec. 30, 1837

Adjutant General's Office. ference in the teachers. The truth is, these unsuccessful teachers do not feel interested in the work themselves. They never see their children, and perhaps, never pray for their scholars; or if from a sense of duly they include them in their daily petitions, they do not feel deeply concerned for the salvation of their souls; their instructions are therefore dry and uninteresting—their own affections are not disawn towards their scholars, ar therefore they fail to enlist their affections for themselves, hence all the exercises of the class are dull and uninteresting, and the scholars feel it to be a task to be

Autio does he or the groom suspect the cleaning is, the sele cause, and that in
marching through the divers body of troops that are
alone lies all the mischief. To clean a horse
