INJURED & 18 MILES FROM DOCTOR

was the predicament Miss Randall, Silver Stream, Sask., found herself in, but Zam-Buk saved her from any serious consequences. Writing of the affair, her mother says: "I should like to tell you of an incident which proves conclusively the wonderful healing power of Zam-Buk. My daughter was using the washing machine, when she caught her hand in the cog and almost tore the top off her finger. As we live eighteen miles from a doctor, it was necessary I should attend to her hand at once. I got some Zam-Buk (which we always keep handy), put on a liberal dressing and bound up the finger carefully. From that time on, my daughter had no more trouble with the injury. We continued the Zam-Buk treatment, and not only did it prove unnecessary to call in the doctor, but in a wonderfully short time Zam-Buk healed the wound—serious as it was—completely."

Zam-Buk is equally good for burns, eczema, ulcers, cold cracks, skin diseases, blood poisoning and piles. All dealers 50c. box.

Send name of paper and 1c. stamp to Zam-Buk Co., Depot St., Toronto, and we will send you free trial box.
