

"IN HIS KEEPING."

## **Eighth Day.**

---

"They that wait upon the Lord shall renew  
their strength."

**I**N quietness : not in vain, fretful chafing  
    Against the limits God hath set for thee,—  
But in a calm and patient acquiescence  
    Thy strength shall be. . . . .

Then chafe not, fret not, make His will thy pleasure ;  
    Trust His wise love, and wait uncomplainingly ;  
So shalt thou prove how perfect in thy weakness  
    His strength can be.
