GREAT POSTHUMOUS WORK.

S O C I A L I S M

BY

JOHN STUART MILL.

Crown 8vo. Cloth.

Now for the first time published in book form.

HELEN TAYLOR in the preface to this work says:—
“They appear to me to possess great intrinsic value, as well as special application to the problems now forcing themselves on public attention; they will not, I believe, detract even from the mere literary reputation of their author, but will rather form an example of the patient labor with which good work is done.”
