Group of LINCOLN LONGWOOL SHE HOGS, eleven months old, sired by Lincoln 200 Guineas 1,099—bred by Messrs. S. E. DEAN & SONS, Dowsby Hall, Folkingham, which when one year and eight months old won First and Champion Prize for Breeding Sheep at Oakham Show, 1895.

S. E. DEAN & SONS, DOWSBY HALL, FOLKINGHAM, LINCOLNSHIRE,

Have always for Inspection and Sale fine specimens from their FLOCK of PURE LINCOLN SHEEP (No. 47 in Lincoln Flock Book,) including SHEARLING EWES and RAMS, also RAM and EWE LAMBS. Sheep from this flock have been exported to nearly all parts of the world, where their great substance and large fleeces of beautiful quality wool give the greatest satisfaction to purchasers. Early in 1894, about twenty Rams from this flock were sold by public auction in Buenos Ayres, and realized the highest average ever obtained for Ram Hogs exported from this country. The flock is most carefully bred, and none but the very best sires used. Messrs. DEAN also send out selections from their flock to purchasers who are unable to come to England to inspect them, and they have given great satisfaction. Messrs. Dean have also for sale purebred Bates SHORTHORNS, and pure LINCOLN RED SHORTHORNS.

Dowsby Hall is one mile from Rippingale Station on the Great Northern Railway, Bourne and Sleaford Branch. TELEGRAMS:—DEAN, RIPPINGALE.
