

**Every Man's Back**

**Will Feel the Benefit**

OF THE

**“E Z” BRACES.**

So simple that you wonder you never thought of them. Adjust themselves automatically to every movement of the body with so much ease that you do not know you have them on. If you try them once you will never wear any other.

The “E Z” marks a distinct departure in suspender construction. It is the acme of comfort, and being relieved of all strain, it is the most durable ever offered for sale. Every wearer of suspenders will appreciate the advantages of the “E Z” when it is stated that it

**“Never Busts a Button.”**
