EPPS'S COCOA

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We must escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame." *Civil Service Gazette.*

Made simply with boiling water or milk. Sold in packets and tins only (4 lb. and 1 lb.) labelled JAMES EPPS & CO., Homoeopathic Chemists, London, England. 129-ly

N. H. DOWNS'

Vegetable Balsamic

ELIXIR!

This valuable medicine is purely vegetable, the discovery of which is the result of many years' close study, in order to discover the cause, the symptoms and the cure—viz:

Consumption, Coughs, Colds, Catarrh, Croup, Asthma, Influenza, Pleurisy, Hoarseness, Spitting Blood, Bronchitis,

and every species of oppression of the Chest and Lungs. In all cases where this Elixir has been duly administered its efficacy has been invariably manifested, convincing the most incredulous that

CONSUMPTION

is not incurable, if properly attended to. Consumption, at its commencement, is but a slight irritation of the membrane which covers the lungs; then an inflammation, when the cough is more observable, but rather dry, then becomes coarser and the pulse more frequent, the cheeks flushed and the countenance more common. This Elixir cures the above complaints, operates so as to remove all morbid irritations and inflammation from the lungs to the surface, and finally expels them from the system. It facilitates expectoration,

IT HEALS THE ULCERATED SURFACES and relieves the cough and makes the breathing easy. It supports the strength and at the same time reduces the fever. It is free from strong opiate and astringent articles, which are so drying a nature as to be in great danger of destroying the patient; whereas this medicine never dries or stops the cough, but, by removing the cause, generally destroys the habit before the cough is entirely gone. Consequently, when the cough is cured the patient is well. Send address for pamphlet giving full directions for cure of pulmonary diseases. Price 25cts. and \$1 per bottle. Sold every where.
