

JAMES PYLE'S
PEARLINE
 WASHING
 COMPOUND
 THE GREAT INVENTION
 OR SAVING TOIL & EXPENSE
 WITHOUT INJURY TO THE
 SKIN OR COLOR OF HANDS

All hands want Pearline—it's handy

Enables one pair of hands to do the work of several; millions of hands use it; millions more will when they learn its value.

You can read, write, sew, wash dishes, prepare the meals, care for the baby—with your two hands, while Pearline is washing the clothes for you almost without the aid of hands. It's harmless; cannot hurt most delicate of hands or fabrics; most delightful for washing the hands. It saves your hands one-half the work in house-cleaning—in fact, when your hands have anything to wash or clean, you will find sooner or later that Pyle's Pearline is the best thing known with which to do it.

Beware Many hands are engaged in peddling imitations of Pearline—or goods which they claim to be "as good as Pearline." IT'S FALSE—Pearline is not peddled. All grocers handle Pearline. JAMES PYLE, New York.

"A RACE WITH DEATH!"

Among the nameless heroes, none are more worthy of martyrdom than he who rode down the valley of the Conemaugh, warning the people ahead of the Johnstown flood. Mounted on a powerful horse, faster and faster went the rider, but the flood was swiftly gaining, until it caught the unlucky horseman and swept on, grinding, crushing, annihilating both weak and strong.

In the same way is disease lurking near, like unto the sword of Damocles, ready to fall, without warning, on its victim, who allows his system to become clogged up, and his blood poisoned, and thereby his health endangered. To eradicate these poisons from the system, no matter what their name or nature, and save yourself a spell of malarial, typhoid or bilious fever, or eruptions, swellings, tumors and kindred disfigurements, keep the liver and kidneys healthy and vigorous, by the use of Dr. Pierce's Golden Medical Discovery. It's the only blood-purifier sold on trial. Your money is returned if it doesn't do exactly as recommended. A concentrated vegetable extract. Sold by druggists, in large bottles, at \$1.00.
